ANNUAL BULL & FEMALE SALE

MARCH 10/26

AT THE FARM » BIENFAIT, SK » 1:00 PM

A black and white cow with a white face and forehead, standing in a green field. The cow is facing right.

Welcome FROM
WHEATLAND CATTLE CO.

It's with great pleasure and excitement to welcome you to our family's 22nd annual bull sale. We say it every year but it's crazy how fast time goes and here we are again. No matter how long the days or hard work farmers and ranchers put in we have sure enjoyed the journey and the friendships built along the way. Friends, family and customers thank you! Without your support and dedication to our program none of this would ever been possible.

Within the last year the cattle market has reached new levels and the excitement continues to build. Hats off to everyone that has stuck with it and put in the time. Everyone definitely deserves it. The cattle numbers across North America still remain low and there is no sign of a rebuilding phase beginning. It's the perfect time to surround yourself with good people, utilize the best genetics you can find and capitalize on supplying the world with the safest and healthiest protein source available worldwide.

We are a family run operation that takes great pride in what we do each and every day around the ranch. It's because of our customers and support team that has allowed our program to reach milestones over the last 35 years. Our program never shifted with fads or flavours over the years. We have always listened to what the commercial cattlemen ask for. Cattle that have modest birthweights, acceptable performance, structural correctness and eye appealing to look at. Keeping these traits in mind we feel our product can work in many different environments and sectors of the industry.

Over the last 4 decades we have worked relentlessly to build the best possible cowherd we can with 99.9% of these females being born and raised on the ranch. Starting at the surface with good feet, strong udders, fertility and fleshing ability. When you flip through the catalogue I hope you can appreciate the generations of the 'LER' prefix that have been bred into these cattle. Our entire living is based upon our cows. When you buy a bull from us you're not just buying the bull, you're buying the program and customer service that comes with it.

The last couple of years showing cattle have been very memorable for us. This past fall we were blessed to have bred and raised the Supreme Champion Female at Agribition with Wheatland Mich Lady 2291K and Wheatland True Grit 540N. The year prior in 2024 Wheatland Mich Lady 211H and Wheatland Royal Merchant 4177M were selected as Supreme Champions at Agribition. A feat that has never been accomplished before.

This group of bulls for 2026 is loaded from front to back with something for everyone. A lot of different types for everyone to choose from. We will feature some new sire groups that are exclusive to Wheatland. Whether you are looking for Simmental, Angus or percentage bulls we have something for anyone ranging in all budgets. We like athletic bulls that are ready to breed cows and cover ground. These bulls have been developed on oats, corn and beet pulp along with free choice chopped hay and mineral. We try to develop them the best we possibly can. We know buying a bull is a big investment and we want them to work.

New to the sale this year and for the first time in 35 years we are offering the elite females of our 2025 born heifer calves and we couldn't be more excited to show you what we have in store. This was not an easy decision and many of you that know us know how crucial it was to keep these top end females when building a cowherd. These heifers are flat awesome and each of them have their own story. It will be a bit tough watching them leave after the sale but we can assure you we have offered the very best and feel the ROI will be huge.

As we conclude the welcome it's been gratifying to watch the success of Wheatland genetics in breeding programs across the country, AI studs and cow shows BUT MOST IMPORTANTLY THEY HAVE WORKED WELL AND EXCELLED FORE THE COMMERCIAL COWMAN WHO PROVIDES THE BEST TESTING GROUND FOR ANY OPERATION.

Please take this as your personal invitation to join us on March 10th at the ranch. We take great pride in being your genetic supplier. If you can't make it to the sale, please feel free to come look at the offering any time beforehand. We always enjoy talking about cows and getting to know your operation. Whether you want to come for coffee, catch up on a visit or study the bulls, we are happy to have everyone. Plan to be with us March 10th. Call or text us with any questions. We look forward to hosting everyone.

*From everyone at Wheatland,
Vernon & Denise, Riley & Maddy, Cody-Ray & Shayne*

Welcome

FROM T BAR C CATTLE CO. LTD.

It is a pleasure to welcome you to the 22nd Annual Wheatland Cattle Company Bull Sale – and new this year, the addition of a select female offering – hosted by the Lafrentz family. Vern, Denise, Riley and Madison are truly some of the most down-to-earth and dedicated breeders you will find anywhere. Their lives revolve around an unmatched cow herd and the relentless pursuit of producing cattle that work in the real world.

This year's sale comes at a new, earlier date of March 10th, and if history is any indication, it will once again be a highlight of the spring bull sale season. The previous 21 sales have built a reputation for quality, consistency, and cattle that go on to make a difference – and this year will be no exception. In fact, this is one of the largest and most consistent offerings Wheatland has ever assembled.

As always, the catalogue opens with the Simmental section – a program that has produced numerous record-selling, breed-changing individuals over the years. This year's Lot 1 bull has Riley as fired up as I have ever seen him, and for very good reason. That said, the highlight reel doesn't stop there. Several elite individuals follow, including the calf at side of the 2025 Agribition Supreme Champion Female, a testament to the depth and quality of this cow herd. The red pen is loaded with stout, hairy, true "Wheatland-type" bulls that are built to go to work and make an impact. These bulls will add muscle, performance, and eye appeal to both purebred and commercial programs alike.

The Angus offering is the most powerful to date, but what impressed me most this year is the overall consistency. The number of quality half-brothers on offer gives buyers a tremendous opportunity to inject uniformity and predictability into their calf crops.

The thing everyone is talking about this year, however, is that Vern and Denise have agreed to open the vault and offer a very select group of females. Since the beginning, when Vern and Denise moved down into the valley and started something

truly special, only a small handful of females have ever left the program. That alone speaks volumes about how this cow herd has been built and protected over the years. This is a cow herd with a track record that rivals any in the world. It starts with the simple fact that both the 2024 and 2025 Agribition Supreme Champion Females were born and reside right here at Wheatland. As you look around the sale barn, the walls tell the story – Champion banners, Premier Exhibitor banners, and perhaps most impressive of all, the number of Premier Breeder banners, all representing cattle that were born and bred at Wheatland Cattle Company.

As you study this female offering, you will quickly realize that this is not a "clean-up" group. Not only has Wheatland chosen to offer heifers, they went straight to the top of the pen, selecting from their very best cow families and the freshest genetics they have in their arsenal. I will be honest – when Denise took me out to view the sale heifers, I kept waiting for her to say, "This is our keeper pen... now we'll go look at the sale heifers." That moment never came.

If you are looking for bulls – and now females – backed by honesty, hard work, and a program that stands firmly behind its cattle, Wheatland Cattle Company deserves your attention. We encourage you to study the catalogue, reach out to any of the team at T Bar C with questions, and most importantly, join us on March 10th.

Welcome FROM BOHRSON MARKETING

It is a true honor to welcome you to the 22nd Annual Wheatland Cattle Co. Bull Sale, taking place on an earlier date of March 10, 2026. This is a special sale year featuring one of the strongest and most complete sets of bulls ever produced by this leading program, along with the very exciting addition of elite females to the offering. Programs that endure for decades do so with purpose, discipline, and an unwavering commitment to quality and Wheatland Cattle Co exemplifies all three. Twenty-two annual sales stand as proof of a breeding philosophy rooted in consistency, customer success, and cattle that thrive in real-world conditions. The Lafrentz family has built this operation without chasing industry fads, instead focusing on the fundamentals that matter most to commercial cattlemen with structural integrity, performance, maternal strength, and longevity resulting in a program widely respected for the recognizable "Wheatland Type."

The strength of Wheatland begins with an elite, home-raised cowherd that has been meticulously developed over generations. With nearly every female retained and developed on the ranch, the influence of the storied "LER" prefix represents decades of maternal accountability, emphasizing sound udders, excellent feet, fertility, fleshing ability, and productive lifespan. Simply put, when you purchase a Wheatland bull, you are investing in a cow family-driven program where the cows dictate the direction and the results consistently speak for themselves. If there was ever a time when Wheatland genetics commanded industry attention, it is now. Producing Supreme Champion Female honors at Agribition in back-to-back years is an accomplishment no programs have ever achieved and is a historic feat that firmly positions Wheatland among the elite breeding operations in the country. Yet what impresses us most is that these cattle don't just win banners, they go home and work, excelling for the commercial cattleman who ultimately provides the toughest and most honest evaluation of any breeding program.

The 2026 bull offering will be one of the deepest and most complete sets ever assembled at Wheatland. It is loaded with herd bull candidates from proven and emerging sire groups that are

actively shaping the future of the program. Influential genetics such as Strong N Free, True North, Living Proof, Tradesman, Juan Pablo, Dimensional, and Right Now anchor a Simmental lineup that is as predictable as it is powerful. The Angus division is led by the FarmFair Champion and past high seller Coalfields, alongside Rolex, Sold Out, and Prostar, with depth, consistency, and herd bull presence throughout. A truly exciting addition to this year's event is the offering of elite heifer calves, a rare opportunity considering how tightly Wheatland has historically protected their female inventory. Releasing genetics from the heart of a cowherd this established signals both depth and confidence, giving progressive breeders the opportunity to tap directly into one of the most maternally focused programs in the business.

As you study this catalogue, we are confident you will recognize the breeding power, cow family strength, and genetic predictability that define the Wheatland program. Whether you have been a longtime supporter or are searching for new genetics capable of elevating your operation, this is a sale that deserves your serious consideration. Wheatland backs their product with a level of customer service that has earned an exceptionally loyal following, as evidenced by the strong percentage of repeat buyers year after year. Make plans to be in Bienfait on March 10 where the bulls are stout, the cow power runs deep, and the breeding future at Wheatland Cattle Co. has never been more exciting.

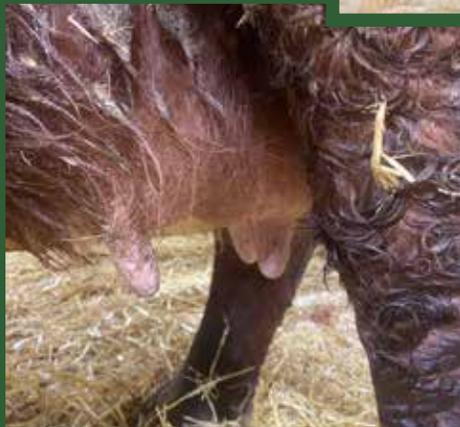

Best regards,
The Bohrson Marketing Team

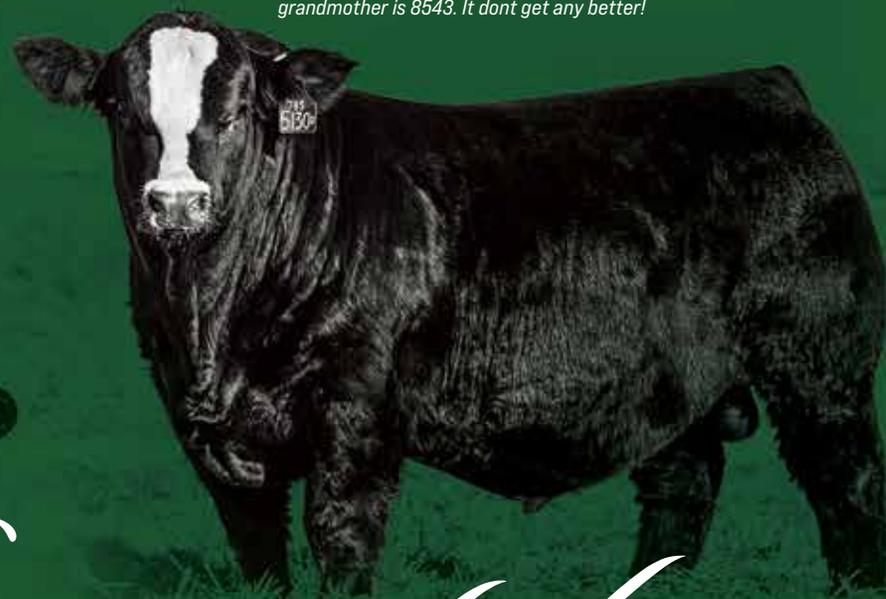

Why A WHEATLAND BULL?

- 1 CUSTOMER SERVICE:** *We take great pride in getting to know our customers and touring their operations to see what works for them. If there is ever a problem you call us and we take care of the problem. We don't just call a week before the sale trying to sell you another bull we keep in contact throughout the year and have an invested interest in making sure the bulls are working for you.*
- 2 SIGHT UNSEEN PURCHASE PROGRAM:** *We understand everyone has a busy schedule and can't always make it. Call Riley or Vernon to talk about the bulls and its 100% buyers satisfaction upon arrival.*
- 3 COW FAMILIES:** *We are one of the few purebred herds in the land that hasn't sold any top quality females. We have kept these females to ensure our bulls are packed with maternal greatness. We are proud of our cowherd and have paid attention to detail. Udders, feet, fleshing ability and disposition along with fertility are the basics our cowherd was selected around. We believe in using a lot of our breeding to ensure uniformity and it also allows us to offer a lot of 1/2 and 3/4 brothers for our customers.*
- 4 QUALITY:** *Our motto has always been quality over quantity. We take pride in producing the best cattle we can. That's not to say every bull looks alike and that's ok because we have different customers that select for different traits so we have to have something for everyone! However feet, scrotal size and disposition are something we always select for. These bulls are backed by real world cows that work.*
- 5 PAYMENT PLAN:** *You call us and let us know what works for you and we arrange a plan that works for everyone. This program has become very popular for good reason. Call for details.*
- 6 VOLUME DISCOUNTS:** *We appreciate and recognize when some of our customers buy in volume. Your support certainly doesn't go unnoticed. 2 bulls 3% discount - 3 bulls 4% discount - 4 bulls 5% discount.*
- 7 REPEAT CUSTOMER INCENTIVE:** *We sell over 70% of our bulls to repeat customers. We appreciate the continued support throughout the years and that's why we offer a repeat incentive. 2% discount on your 2023 sale purchase if you purchase in 2024.*
- 8 BULL WINTERING PROGRAM:** *You can leave your bull at the ranch after the sale free of charge, however he must be fully insured.*
- 9 FREE DELIVERY:** *We try to accommodate everyone and get as close as we can. Sometimes you might have to meet us depending on this distance but we try getting them very close to your location or right into your yard!*
- 10 IT'S OUR LIVING:** *This is how we make a living, we take it very serious and do the best job we possibly can. When you deal with Wheatland you deal with the family that calved them, bred them and done everything from start to finish.*

The high seller from Jared Werning Cattle Company in South Dakota. Living Proof was the talk of the 2024 sale season. His blend of presence, power and structure is rare to find. You will travel the country to find a bull that is this proud, dense built and right for the times. His sons are big nutted, stout built and offer a lot of calving ease. His mother is the prolific Angel 7113E, grandmother would be the famous Black Angel 2870Z and great grandmother is 8543. It dont get any better!

Black Simmental

BULLS LOTS 1-49

W/C TRADESMAN 648L

A powerful herdsire purchased from Werning Cattle Company in 2024. Due to an injury in breeding season we don't have many on offer but in 2027 he will feature one of our biggest sire groups. Tradesman is a great footed, big framed bull that's big nutted and stout built. His cow family is jammed packed with the greats 2870Z and the famous 8543.

LLW CARD TRUE NORTH G71

True North was purchased from Cardinal Cattle Company in Illinois with Semex. He's been tried, tested and true. A past Agribition Champion that makes the right kind. His sons offer calving ease, extra hair and plenty of growth. His daughters have been valuable in production and appear to be the type to make a lasting impact.

WHEATLAND STRONG N FREE 231K

Our high seller from 2023 that sold to ZWT Ranch in Tennessee. Still to this day one of our favorite bulls we have raised. His offspring combine calving ease & growth with presence and great feet. His donor dam U182 is a powerhouse female that everybody finds on summer tours.

WHEATLAND DIMENSIONAL 1147J

A past sale feature and National Champion that sold to the good folks at JP Cattle Company. This bull sires frame, length and power! His offspring are huge bodied and offer explosive performance. His daughters in production are awesome. These Dimensional cattle become more valuable every year. Werning Cattle Company and Sandeen Genetics acquired the American semen rights and have had great success.

PAW JUAN PABLO 121J

A high seller that was purchased from our good friends at Southpaw Cattle Company. This will be his 3rd set of sons to sell and they are the cattlemen's type. Big, stout and powerful! Pablo was a past champion at Farmfair and earned a spot in the top 10 at the CN Beef Supreme. His sons are easy to pick out for good reason.

WC RIGHT NOW 1198J

Purchased from Werning Cattle Company in South Dakota. This good looking, sound built son of Right Now is sure to impress. His combination of calving ease & performance is incredible. His daughters are stunning in production. A great bull backed by some of the best cows in the breed. His sons have been very well accepted.

- It is with great pleasure we introduce to you one of the greatest breeding achievements in the history of the Wheatland program
- A bull that has caught the attention from everyone that has seen him from a very young age
- His captivating presence commands your attention but this herdsire is bold bodied, stout hiped and huge nuted
- Get him on the hard ground his foot shape and flexibility is unmatched, the bend to his front knee and the construction of his hip & hind leg is next level
- His sire Strong N Free was a past sale feature now calling home to ZWT Ranch in Tennessee
- Mothered by the 3111A donor who is a past National Champion Female is now 13 years old and still resides at the ranch
- 3111A has sons working at Lazy S Ranch, JP Cattle Company, Stepler Farms, Openshaw Farms, Hale Ranch and Yanko Simmentals to name a few
- Her daughters in production are the right kind, perfect udders, sound built cows with great mothering ability, you will see the influence of 3111A is pedigrees throughout the book
- As you dig further back into the pedigree you will find some of the most notable herdsires over time, Top Gun, Red Label, 680S, Teddy 131L and of course the most prolific cow we have been around 902J
- This homo polled herdsire presents an outcross pedigree that everyone has been searching for
- He is worth the drive to see in person, this special individual is truly in a league of his own
- **HOMO POLLED, HETERO BLACK**

SUPREME CHAMPION FEMALE CWA 2025 - CHAMPION SIMMENTAL FEMALE CWA 2025

- A special individual that has been a standout at every stage of the game
- He sure made a lot of friends last fall where him and his mother 2291K were crowned Champion Simmental Female at Agribition and went onto be declared Supreme Champion Female in the CN Beef Supreme
- Not sure you could paint a picture of a better cow; this pair had more compliments and people checking them out last fall then anything we have ever shown before
- 540 is huge bodied, soft made and has such a presence with that great white face
- Big nuted, great jointed and travels with ease, you will love his great haircoat and muscle shape
- He's got the mass and power to raise beef bulls but just wait until you have a pen full of his daughters in production
- Not sure much more needs to be said, he is high quality and you won't find a cow any better than his mother
- Him and his mother have been very special to us and it will be hard to see him go but we think the breeding value here is top notch its not very often you get the chance to buy a supreme champion
- **HOMO POLLED, HOMO BLACK**

Customer TESTIMONIAL

KIEL FAMILY

The quality of the Wheatland Bulls and the customer service we have received are second to none. The Wheatland bulls we have purchased perform exactly how Riley describes. The calves from our cows and heifers calve easily with excellent growth crushing the scale in the fall. The replacement heifers are feminine and turn into the cows we strive to raise. We sincerely appreciate the Lafrentz family's commitment to our success and their thoughtful consideration.

Elliot Kiel

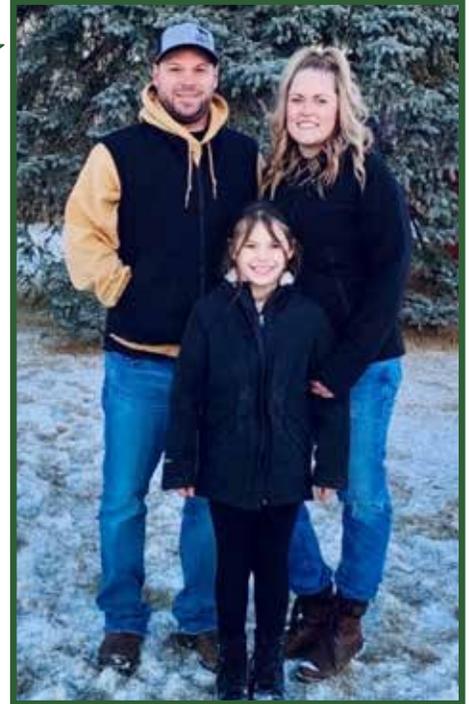

Customer TESTIMONIAL

ARIC BURGMAIER

We've been buying bulls sight unseen from wheatland for a couple of years now. we are very particular about our bull selection. We tell Riley what we are looking for in a bull, he lays out what he's got and we discuss which bulls he thinks would work for us. Im very confident that the type of bull we talk about on the phone is what will get delivered when I buy. it's been a great experience with Wheatland and the bulls we have got never disappoint.

Aric Burgmaier

Red Simmental

BULLS LOTS 50-72

CDI ENTICE 49L

The high seller that was selected from Lazy C Diamond Simmentals in North Dakota in the spring of 2024. A bull that blends it all together in the flesh and on paper. The day we bought him we got to see his mother and grandmother and that assured us he was calling Bienfait home. His sons and daughters are excellent and he will be a big part of our program moving forward.

WHEATLAND REVOLUTION 2194K

A past sale highlight selling to Longview Cattle and Larry Hefner. His offspring are moderate at birth and stamped with such a great look. His sons offer muscle, body and a great haircoat. His first daughters are ready to start calving and have ideal teat size and spacing.

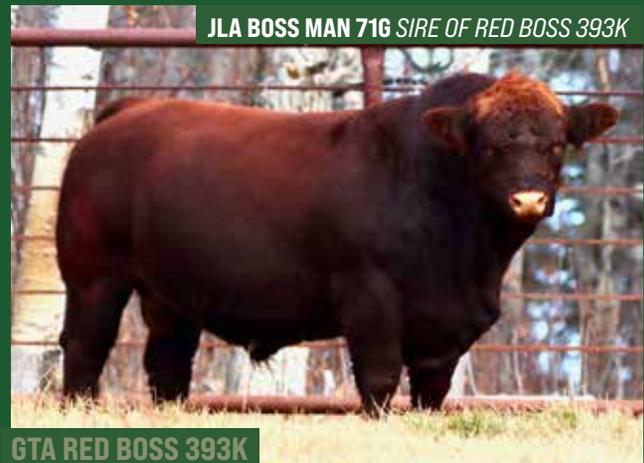

WHEATLAND GENERATION 2115K

One of our favorite red bulls we have produced that now calls home to Hale Ranch in Texas. He combines some of our very best cow families and production records. Buy his sons with confidence they were very well received last year and you will want to keep every daughter.

KWA WESTERN 52K

Our pick from the KWA bull sale in 2023 for his dark color, foot quality and overall completeness. His pedigree is stacked with great cows including the famous 14X. His sons offer a blend of calving ease and performance.

JLA BOSS MAN 71G SIRE OF RED BOSS 393K

GTA RED BOSS 393K

Purchased from our good friends at Lazy S Ranch in 2023. This will be his second calf crop. His offspring represent great feet, dark color, and extra length. He offers outcross genetics backed by a very strong and consistent cow line that you would come to expect at Lazy S.

- Dark cherry red and he's got the extra age advantage
- This fella is big outlined and displays extra frame
- His mother 81X is our last direct 902J daughter, she has incredible feet and might have the best udder on a 16 year old cow you will find
- 81X has had many bulls in previous sales and daughters in production have been outstanding
- His sire Generation was a past sale highlight going to Hale Ranch in Texas
- You will want to keep every daughter out of this bull, they should be awesome momma cows

Customer TESTIMONIAL

BAR 22 STOCK FARMS

We have been purchasing bulls from Wheatland for the last 9 years. Every bull has held up and kept very good feet. The only Wheatland bulls that leave here is because of old age. You can see the difference in the calves come fall. And the Lafrentz families service is second to none.

Dalen Wheeler

- A powerful dark red herdsire that puts it all together with OUTCROSS genetics, it's not very often these types of bulls come around
- A personal favorite and one of the best red herdsires to come out of our program
- Incredible feet, clean sheathed and very docile
- This march born stud is thick topped, big bodied and correct from any angle
- His Fusion mother is the ideal cow in terms of udder and structure
- Fusion walked at the Ranch until he was 9 years old, talk about longevity
- The bottom side of his pedigree is old school cool with some of the most proven cows in his blood
- His EPD profile is very interesting ranking in the top 30% in every category
- A bull we plan to utilize in our program and we think offers a world of breeding value
- **HOMO POLLED**

MATERNAL BROTHER

- A dark red, bigger framed bull that offers extra length and muscle shape
- Very docile, tons of hair and his powerful build will quickly be spotted
- His donor dam 123 is also the mother to Next Century and the influence she has had in our program has been huge the last several years
- Different twist on pedigree here, with the power and punch everyone appreciates
- **HOMO POLLED**
- **CSA 1/2 SIMMENTAL, ASA PUREBRED**

2025 Bull Sale

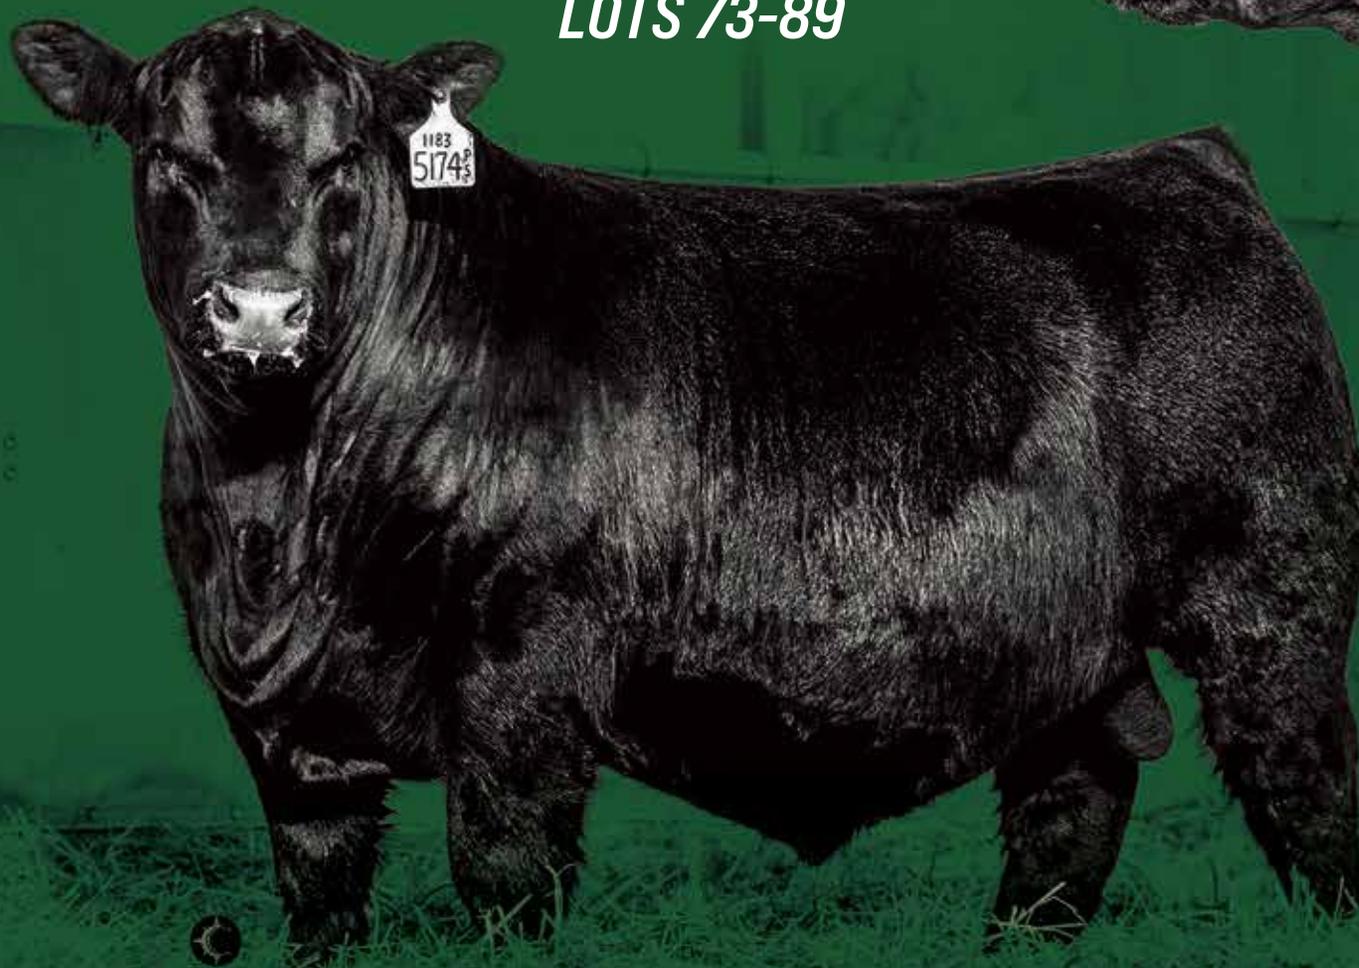

THANK YOU TO ALL OUR LOYAL CUSTOMERS FOR YOUR SUPPORT EACH AND EVERY YEAR

Angus

BULLS

LOTS 73-89

MICH WHEATLAND COALFIELDS 2177K

A past sale highlight that sold to Malchuck Farms. His muscle shape, foot quality and performance is spot on and hard to replicate. He's a past National Champion but more importantly he makes beef bulls and you will sure appreciate his daughters. His e.t sister is in production and represents the "angus image".

COMPASS GO ROLEX 219K

A son of the popular BC Robust. Rolex is a huge bodied, thick topped bull with excellent feet. His sons are moderate at birth and have a great disposition. Buy his sons with confidence and you will love his easy keeping daughters that will be in the herd for years to come.

HF PROSTAR 97L

A high seller from the great Hamilton Farms program. We really like our ProStar calves, they are heavy muscled, big bodied cattle with great feet and excellent attitudes. The sons on offer are very impressive. We like angus bulls with more muscle, top and base width and these ProStar cattle offer that. His cowline stems from some of the very best at Hamilton farms. This will be perhaps the first chance to buy ProStar sons on March 10th!

COMPASS SOLD OUT 121L

Purchased from Compass Ranch as a heifer bull and he sure met our expectations. His offspring came easy and had great vigor. You will notice his son's sale day with their presence, smoothness and overall quality. His mother is a beautiful Alcatraz daughter that is ideal in every way. If you need to get some heifers bred, look at these boys.

- Very good feet, perfect teat spacing and loaded with hair and substance
- Her mother 1518 is a dark red, correct made female that would be a daughter of the 3111 donor who is also the mother to the lot 1 bull
- The combination of 3111A and 14X should lend this female to be a force in production
- We don't have as many red heifers in the sale but we wanted this gal to be a headliner and we think you will love her in the flesh

- A very attractive red blaze face daughter of Western here
- Very maternal in her design, feminine, balanced and super complete
- Her mother 2169 is a red baldy Next Century daughter that had a bull in last years sale and her grandmother 542C has left a big print in production with raising numerous herdbulls
- I think this heifer will mature into a beautiful female with a perfect udder and the cow family behind her will enhance the earning potential

SUCCESS ISN'T ABOUT REACHING THE *destination*

HERDSMAN OF THE YEAR

Riley LaFrentz
Wheatland Cattle Company

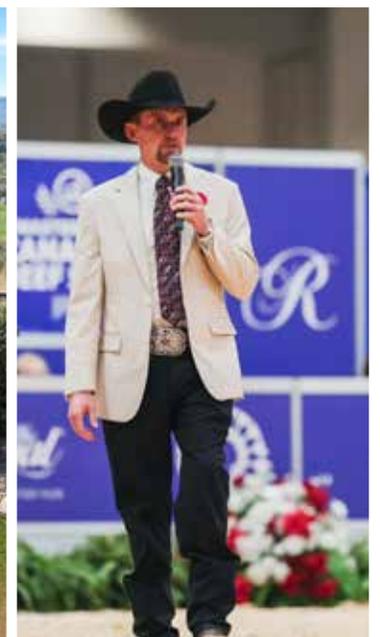

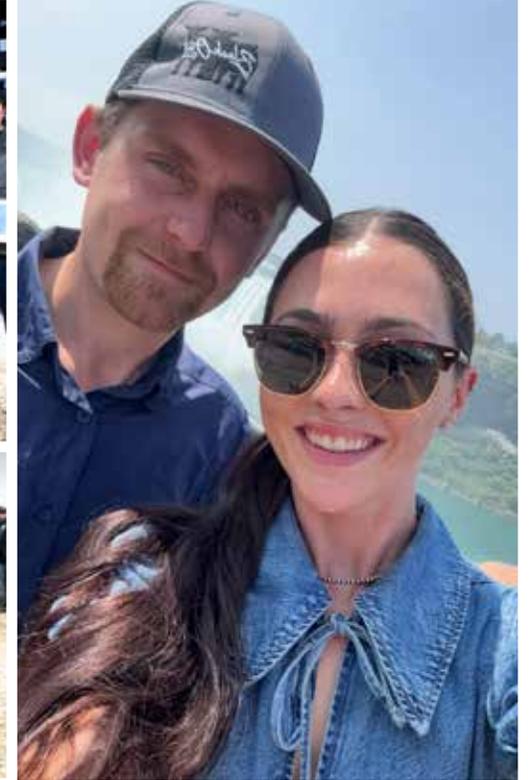

"Riley LaFrentz has been apart of Wheatland since the very beginning. He is well accustomed to all the jobs that need done — the fun and not so fun ones, but always faces them with a good attitude. As time has gone on, Riley's roles at Wheatland have increased, taking on more decision making along with responsibilities.

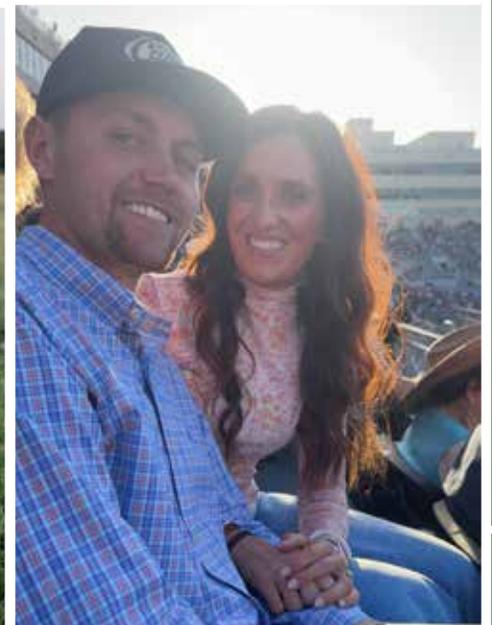

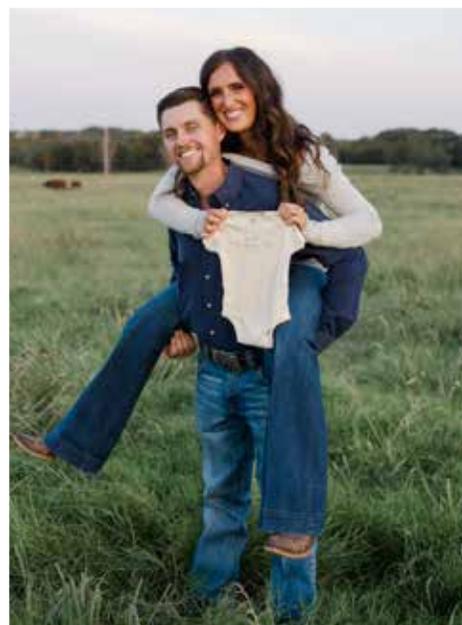

We appreciate your ability to connect with people and your customer service throughout the year. Your love and excitement for good cattle is most gratifying. You have a great work ethic and are always striving to do better.

Thanks for all of your dedication to Wheatland!"

-Aimee LaFrentz

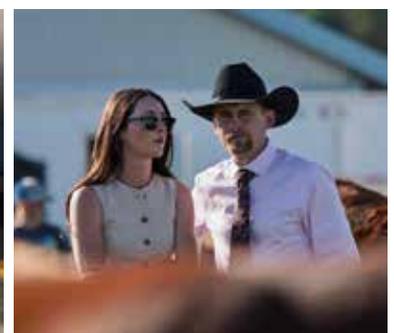

IT'S ABOUT WHO YOU BECOME ON THE *journey*

WHEN YOU HAVE A *dream*

YOU'VE GOT TO GRAB IT AND NEVER *let go*

EVERY DAY IS ONCE IN A *lifetime*

Notes

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Simmental Association and the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.

IN-HERD SEMEN: Wheatland Cattle Co. reserve the right to collect on any bull sold through the sale. The semen collection will be at Wheatland's expense and buyer's convenience. Any semen collected will be for in herd use only.
