6th Annual
CHAROLAIS BULL SALE
WEDNESDAY MARCH 18TH - THURSDAY, MARCH 19TH, 2026
DLM&FarmGate Timed Auction

35 LONG-YEARLING BULLS ON OFFER

Welcome from White Meadow Charolais

On behalf of Ava and myself I would like to welcome you to our 6th annual online bull sale. Whether you are a long-time customer or considering our genetics for the first time, we want to extend a sincere thank you for taking the time to review our catalogue.

For over 40 years, raising functional Charolais cattle with dependable and predictable growth has been our goal. Our cowherd has calved on grass for decades. The functional traits required to thrive in this real-world environment have been bred in through selection. Following that same philosophy, our sale bulls are summered on grass as yearlings and developed slowly to ensure they are athletic, sound and pasture-ready.

I would like to extend a special thank you to Helge and Candace By for their help and guidance in managing our first five bull sales. As they transition into retirement from sales management, we want to recognize them for being such incredible ambassadors for the Charolais breed for so many years. We are truly grateful for their support and friendship along the way.

As we move forward, we are pleased to welcome Jon and Sarah Wright as our new sales management team. We look forward to working with them, and know their expertise will be a great asset to our program. Please feel free to reach out to Jon and Sarah with any questions you may have about the bulls; they are ready and happy to help you find the right genetics for your herd.

I invite and encourage you stop by for a visit to view the bulls anytime before the sale. Because the majority of our bulls are sold sight-unseen each year, please feel free to give me a call anytime. I'd love to chat about your goals and lend a hand in finding a bull that best fits your cow herd to ensure you see the results you are looking for.

Your success is the true measure of our program, and there is no greater reward than seeing our genetics thrive in your pastures. We will continue to strive to earn your trust and business by investing in proven genetics that ensure our customers' continued success.

Sincerely,

**Mike and Ava

White Meadow Charolais

6TH ANNUAL BULL SALE

DLMS Farm Gate Timed Auction

BIDDING OPENS: WEDNESDAY, MARCH 18TH, 2026
BIDDING CLOSES: THURSDAY, MARCH 19TH, 2026
ON OFFER: 35 LONG YEARLING, FALL BORN CHAROLAIS BULLS

Schedule of Events

Wednesday, March 18th - 9:00 a.m. - Bidding Opens on DLMS Farm Gate Timed Auction

Thursday, March 19th - 7:00 p.m. - Bidding Begins to Close, Racehorse Style

Sale Day Contacts:

Mike Bertholet, White Meadow Charolais.....(204)522-5469

Jon Wright, Wright Livestock Marketing.....(306)807-8424

Mark Shologan, DLMS Farm Gate Auction.....(780)699-5082

Lois McRae, Insurance.....(204)573-5192

Viewing of the Bulls

The bulls are available for viewing at the farm anytime prior to sale closing. Contact Mike to arrange bull pen tour.

Videos

Videos of the bulls will be available for viewing online at www.wrightlivestockmarketing.com or at the White Meadow Charolais DLMS FarmGate sale page.

Semen Test & Weights

All bulls will be examined, scrotal measurements taken, semen tested and palpated by a licensed Veterinarian prior to the sale. Scrotal measurements and current weights will be available.

Semen Rights

White Meadow Charolais reserves the right to collect semen on the bulls featured in the sale for in-herd use, at the seller's expense and the buyer's convenience.

Delivery

Free delivery up to 300 km. For points further, we will work with the buyer and share the cost to have your bull delivered to central points as close to farm as possible.

Boarding

Bulls can remain at the farm free of charge until May 1st, which is typically when bull deliveries begin, unless you require your bull sooner. Although every precaution is taken to ensure the health and safety of the bulls, accidents can still occur. Therefore, insuring your purchase(s) is highly recommended.

Herd Health & Fertility

The bulls have been treated for parasites with just Ivomec twice, vaccinated with BoviShield FP 5 and they will have received 2 doses of Fusogard for foot rot prevention. Breeding females receive CattleMaster Gold FP 5. Calves are given Inforce 3 at birth and Covexin 8.

Insurance

All bulls remaining at White Meadow Charolais after the sale will require insurance. Insurance is available for purchase through Lois McRae by calling (204)573-5192.

Sight Unseen Purchase Program

We know that as producers you may be busy and unable to tour the bull pen. We can assist you with finding the right bull to meet your operation's needs. Please feel free to contact Mike or Jon Wright of Wright Livestock Marketing, who would be happy to assist you with finding the right bull(s) to add to your bull battery and fit your program's needs.

DLMS Farm Gate Time Auction Bidding Instructions

If you are unfamiliar with the DLMS Farm Gate Timed Auction format, information can be found on the following page. If you require any assistance, please contact Mark Shologan at DLMS or Jon Wright of Wright Livestock Marketing, who would be happy to answer any questions you may have or assist you.

Terms & Conditions

The sale is conducted under the Canadian Charolais Association's Code of Ethics. For full terms & conditions that the sale will be conducted under can be found at the back of the catalogue.

U.S. Buyers

We guarantee our bulls to be exportable. We will do the health testing required and arrange to meet you at the border for trucking to central points in the United States. White Meadow Charolais will assist in the cost related to export testing and trucking to the United States. Call for further details.

DLMS FarmGate Timed Auction

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit dlms.ca and follow the link to the DLMS Farm Gate timed auction site www.farmgatetimedauctions.ca, click the LOGIN/REGISTRATION button.

First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favourite lots, or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions, simply enter your username and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favourite lots on your screen. Any time there is active bidding on a lot you have identified on your favourite list you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective, and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.

4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time, the computer will declare the sale finished.

5. Following the sale the Owner or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases. For more info and assistance with bidding contact any of the sale contacts listed on the DLMS Website;
DLMS Farm Gate Timed Auctions ~ Mark Shologan Ph: 780-699-5082

FAQ:

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

Timed Auctions Made Easy

Welcome from Wright Livestock Marketing

On behalf of Wright Livestock Marketing, we would like to welcome you to the 6th Annual White Meadow Charolais Bull Sale. It is an honour to be working with Mike and Ava to promote this outstanding offering of long-yearling, fall born Charolais Bulls.

What an exceptional offering that the White Meadow Charolais program has put together for their 6th Annual Bull Sale! It may be their 6th Annual Bull Sale but don't let that number fool you, White Meadow Charolais has been developing and promoting their program for 40+ years. You would be hard pressed to find a more consistent, responsibly developed quality set of honest, real world raised bulls for a good country mile. The type and kind that White Meadow has been developing is evident in the consistency of the pen. There is no mixed bag of tricks or crazy extremes in the pen, the bulls are consistent in type, kind and temperament, and are a true reflection of what the White Meadow Charolais program is known for. If you are looking for ranch raised, rugged bulls, this is program you will find them in.

If you have any questions about the bulls featured in the offering, or the pedigrees and production history of the cow families behind them, Mike watches the production of his cow herd closely and is incredibly knowledgeable and sharp when it comes to the details and the history featured in the pedigrees of his herd. He along with his daughter Ava, would be proud to show you the bull pen and assist you with finding the one you are looking for.

If we can be of any assistance with helping you source your next addition to your herd bull battery or assist you by answering any questions you may have about the sale and sale format, we would be happy to do so. Videoing will be done at the beginning of March, and they will be available for viewing on our website - www.wrightlivestockmarketing.com.

If you are in the market for a long yearling, fall born Charolais bull with that added benefit of a little bit more maturity than the January/February 2025 bulls that are on offer and selling this spring, we hope you will consider this offering.

Sincerely,

**Jon & Sarah Wright

LIVESTOCK MARKETING

HETFER BULL

A true sale highlight, Minstrel 25M is a flawless LT Countdown son that commands attention with his "striking presence". He is incredibly smooth, small headed with an ultra-low 68lb birth weight, making him a premier heifer bull candidate out of a powerful first-calf daughter of the cow-maker, LT Nationwide. This quiet-dispositioned standout combines solid EPD's with a muscular, easy fleshing look that makes him a wise investment for any program looking to combine calving ease with premium style.

Malibu 84M is the top weaning weight bull of his contemporary group in the sale. He offers the total package with elite style, massive muscling and explosive growth! He has a huge scrotal, easy-going nature and is out of a young LT Nationwide dam that is heavy milking with superior udder quality that is sure to rise to the top of the cowherd. Malibu will be a tremendous breeding piece that will keep a program moving forward by producing highly marketable sons and front pasture females.

6M is a deep-bodied, big-hipped powerhouse with an excellent disposition. He is backed by a high-powered first calf heifer that was the "cover girl" for our fall female catalogue selling to Cristal Pine Farm, ON. Mick 6M is an ideal choice for those wanting to add pounds and muscle without sacrificing maternal excellence.

86M is a striking individual that has the signature style and smoothness of LT Countdown while retaining the power and performance of his French influenced dam. This unique blend results in a big-hipped, high-capacity bull that carries the muscle of the Novotel bull from his dam's side of the pedigree with the attractiveness of LT Countdown. His progeny will be the type to excel in the feedlot and be attention getters in the sale ring!

13M is a high-capacity beefy powerhouse that stands on a great set of feet and legs and with a large scrotal size. He is the type to thrive in any environment and sire durable, profitable progeny. His dam is a trouble-free Big Ben daughter.

A big-footed, stout-made tank that's as quiet as they come. 26M is soggy, wide-based and out of an easy fleshing dam. He is built to sire those high yielding, heavy muscled progeny with extra pay weight that will command attention in the sale ring.

29M is a high-quality Stockman's type of bull that excels in balance and structural correctness. He is a smooth-made, moderate-framed individual with a thick, full hind quarter.

Built to be a low-maintenance sire, he will produce the kind of trouble-free, profitable progeny that keep a ranch running smoothly. Maternal brothers have sold to Howling River Ranch, SK and Denny & Ruby Bertholet, MB.

17M is an early-maturing type that offers a low birth weight to high weaning spread. This masculine, deep-bodied Yellowstone son is a premier steer maker designed to sire thick-butted, easy-fleshing calves with that bloom and body mass to top the market.

Mentor 21M is a long-bodied, deep-sided Yellowstone backed by one of our most consistent and predictable cow families. Standout masculinity and excellent feet along with a low birth weight, making him a reliable choice for siring high-quality, trouble-free progeny. Maternal brother sold to May-On Charolais Ranch, MB.

A long-bodied Yellowstone son with great muscling, a big weaning weight and length of body. 67M is a growth and power bull with an elite maternal pedigree. His dam is a beautiful, high-quality female that produced a top selling female at our fall female sale selling to Elevated Cattle Company, SK. This is an opportunity to buy a high-performance sire with the predictability and style of a premier cow family.

A long-bodied, high-performance bull with an outstanding EPD profile and proven maternal backing. Out of the same dam that produced last year's top seller, selling to Mannle Farms, SK. 69M combines elite weaning weight with the depth to be a true herd improver.

This stylish and muscular Yellowstone son is backed by a highly productive dam and carries the elite milking ability of his sire. Expect 75M to sire high quality progeny with added pay weight and productive easy fleshing replacement females.

99M is a small-headed, smooth yet masculine patterned bull with base width and muscle. He is a genuine curve-bender with an outstanding EPD profile and out of a beautiful Milestone daughter with incredible volume and maternal presence. This bull covers the bases be it trouble free calving, heavy calves at weaning or easy fleshing productive daughter to retain in the cowherd.

50M is a moderate-framed, wavy haired calving ease bull that doesn't compromise on quality. Recommended for heifers with a 79lb BW, 50M maintains excellent economic traits and smooth, attractive design. His sire Billy 55F has been our walking heifer bull for years with rock solid calving ease results.

HEIFER BULL

If you are looking for a heifer bull that will give reliable calving ease, consider 60M. He is a smooth-fronted bull with a clean shoulder and a 77 lb BW. This light-boned, athletic sire is built to calve while still siring calves with the muscle and shape to perform, ensuring his progeny remain high quality and marketable.

HEIFER BULL

81M is bred to be a calving ease specialist! With generations of calving ease sires bred into both sides of his pedigree, he provides the ultimate predictability for your heifer pen. A spread of 76 lb BW and a 769 lb 205-day wt., combined with his length and structure ensure that he will not only give you "sleep easy" calving, but highly marketable progeny as well.

A stylish, thick made calving ease bull that doesn't sacrifice performance with a 205-day wt. of 778 lbs. Out of a beautiful first-calf Chisum daughter, this moderate-framed calf is the perfect blend of eye appeal, muscle, along with maternal excellence, with very small scabs for scurs.

103M is a big-time performance spread bull that crushed the scales, recording an 857 lb. 205-day wt. from an 88 lb. birth wt. Even more impressive is he is from a first calf heifer sired by Pleasant Dawn Chisum. He is a kind natured bull that has the power and scale to sire those extra pounds for profitability. Recommended for second calvers and cows.

112M is a high-performance standout with added frame, scale and incredible length of body. He proves length equals pounds as he crushed the scales with an 857 lb. 205-day wt., a remarkable feat considering he is from a first calf heifer sired by Chisum! He is straight topped with well-muscled hind quarters. If you want to add some frame size with added pounds on sale day, this is your bull!

33M combines calving ease, style along with a quiet and good-natured disposition. Exceptionally smooth in his design and agile on the move, he features a nice muscle pattern. 33M is a top choice for ranchers seeking attractive and trouble-free progeny. His productive moderate framed dam sold in our female sale to Marshall Prokuda, AB, and a maternal brother sold to Thorgilsson Farms, MB.

DAM - KMS 71F

Manhattan 41M offers a clean-lined, attractive design backed by a rock-solid cow family. A heavy-muscled sire with a balanced performance profile, he is supported by generations of sound-uddered, heavy-milking females. 41M is a great choice for siring uniform, high-quality calf crops and the kind of replacement heifers that build a cowherd. Maternal brothers have sold to Char-9 Ranch, MB & Dufayel Cattle Co. Ltd., MB.

Reference Sires

LT COUNTDOWN 9712 PLD

He is one of the biggest curve bender bulls we have used in our herd. His sons display excellent muscling, rib depth and performance in a low-birth-weight short gestation package. They are easy fleshing bulls that will excel in a variety of environments.

Countdown is admired for his bold rib, structural correctness and tremendous EPD package uniquely combining calving ease, growth, and carcass excellence.

Countdown's maternal line is hard to rival and stacked with proven genetics that will yield superior performance, efficiency, and maternal excellence.

LT FORTUNE 9555 PLD

LT Fortune is wide-based performance powerhouse that consistently stamps his calves with extra length, depth, muscle with improved foot quality. He is backed by a productive cow family. Fortune's breeder, the Linskovs stated that his, "Dam is one of our best ever Ledger females that produces a good one year in and year out."

We calved our first daughters to him last fall. They have good frame size along with excellent teat and udder quality.

NGC Yellowstone 939G

Yellowstone is a true breed leader for spread, combining short gestation and low birth weights with elite top 1% for milk and explosive growth. His calves hit the ground easy and hit the scales hard, consistently surfacing as some of the heaviest weaning weights.

His daughters are hardworking productive females that milk extremely well in addition to having flawless udder design.

Use his sons with confidence to give you the type of calving ease that ranchers demand with breed leading performance and pay weight to get the job done in the sales ring.

WHITE MEADOW BILLY 55F

Billy has been our go to walking heifer bull for many years. He provided us with "sleep easy" calving on our heifers. He is the most consistent walking heifer bull we have ever used. In addition to the calving ease, he consistently stamps his calves with a nice muscle pattern, good body length, great hair coats and early maturing growth that weigh heavy at weaning.

WHITE MEADOW KENNEDY 28K

Kennedy is a standout Chisum son that we retained to incorporate into our breeding program.

He consistently stamps his sons with a distinctive style that possess extra muscle shape, body length, great hair coats and quiet dispositions.

We have been so impressed with his sons that he will see expanded use in our breeding program going forward.

Thank You

Terms & Conditions

Terms

The terms of the sale are cash, cheque or e-transfer payable immediately after the sale. Settlement is payable in Canadian funds. The right of property shall not pass until settlement has been paid in full. All settlements must be made with the clerks of the sale prior to the release of cattle.

Sight Unseen Purchases

If you are unable to view the offering prior to the sale, we would gladly assist you with making selections to fit your needs. Please contact Mike or Jon with Wright Livestock Marketing to discuss the females in the sale offering and your specific needs.

U.S. Buyers & Exchange Rate

The sale is conducted in Canadian funds. The exchange rate will be announced at the beginning of the sale.

Bidding

Each animal in the sale will be sold, by racehorse style auction, online through DLMS FarmGate Timed Auction, to the highest bidder. No by-bidding will be permitted. If you are deemed to be the highest bidder on any lot at the conclusion of the sale, you will be responsible for paying full purchase price to the seller with no exceptions.

Purchaser's Risk

Each animal becomes the risk of the purchaser as soon as sold. Insurance is available for purchase. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

Announcements

All announcements and updates made at the commencement of the online bidding will take precedence over printed material in the catalogue. Buyers are therefore cautioned to pay close attention to any announcements or updates made at the beginning of or throughout the sale.

Certificate of Registration

Each animal will carry papers issued by the Canadian Charolais Association unless otherwise stated. A certificate of registration duly transferred will be furnished to the buyer for each animal after payment has been made.

Breeder Guarantee - Bulls

Should any bull fourteen months of age or over fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months following the date of purchase or six months after the bulls has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee

Each animal becomes the purchaser's risk immediately after the sale.

In the case where the animal has been subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damages caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than purchase price of animal.

Delivery

Assistance will be given with making shipping arrangements for your purchase(s). Each animal becomes the risk of the purchaser as soon as sold. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

Accidents

Although every precaution will be taken to protect the safety and comfort of buyers visiting the farm or in attendance of the sale, neither White Meadow Charolais, Wright Livestock Marketing sale management, sale staff or the Canadian Charolais Association assumes no responsibility in this matter and disclaims any liability, legal or otherwise, in the event of an accident or loss of property. All persons in attendance of the sale or visiting the farm do so at their own risk.

Sale Manager

Wright Livestock Marketing Services is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his/her obligations, or for any warranties, guarantees or representations, expressed or implied.

Wright Livestock Marketing Services does not assume any financial obligations to collect or enforce collection of any monies between parties.

Wright Livestock Marketing Services assumes no responsibility for any credit that is extended by the seller to the buyer.

The buyer must look to the seller for fulfillment of any/all guarantees and representations made.

Any legal action that may, in exceptional circumstances/cases, be taken are solely between the buyer and seller.

Rights & Obligations

The above Terms and Conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
