# WELCOME

**That went fast... here we are again!**

**Our family would like to welcome you to our third annual on-the-farm bull sale! We are excited to invite you to attend our live sale, February 6th, 2026, right here on our ranch!**

We want to extend our sincere thanks to everyone who has supported our bull program over the years. We truly appreciate each and every one of you. It's always a pleasure to visit with fellow hard-working cattle producers whose support makes it possible for us to continue doing what we love.

A bit about our bulls... These bulls were born to be two! All our cows calve May/June on grass. Calves are raised on grass and mammas milk and then weaned in October. We have developed a year-round grazing program that works well for us, rotating between grass and corn. Our goal is to keep our program simple, letting the cows do the heavy lifting, with a focus on simplicity and practicality.

We call these bulls "Trusty Two-Year Olds" for good reason. Our bulls are developed slowly to maturity on grass, hay, and a 13% screening pellet rotating with the seasons. We have kept things simple with our bull data and have provided the straight-forward, common sense numbers. These bulls are semen tested and ready to work. They will travel the extra mile to get more of your cows bred than a yearling. They are strong and ready to produce calves the buyers will love.

A little about our family and operation... We are a small mixed grain and cattle operation, home to a growing purebred Charolais herd and a productive Simmental-Angus cross herd. Located along Highway 40 just east of Cut Knife, Saskatchewan, we take pride in being a true family-run operation—where it's always an "all-hands-on-deck" effort to get the work done. Our focus is on raising high-quality, easy-doing cattle while keeping the values and traditions of a family-run farm.

Farm and ranch chores aside, our kids have zero trouble filling their days. Jackson is keeping busy finishing up his grade, 12 and he plans to graduate a semester early - so only about a month left for him. He still enjoys playing piano and singing which keeps us all entertained! Abby is doing amazing in her first year of high school, grade 10. She is also super dedicated to working with her young horses. If we aren't sure where Abby is, it's safe to say she's out riding! She has recently become determined to learn how to rope, so that's her latest challenge - one that will keep us going as she attends a few roping clinics this winter! We are fortunate to farm alongside Shantel's parents, Ron & Cathy Parker, who live across the road from us. We are also thankful for our good friend Duane Stapley, who is always ready to lend a helping hand, as well as the extended family and friends who show up on the big project days.

It takes a dedicated team to tackle the challenges of farming and ranching, and we were blessed again with just that! Brett Wasmuth tackles everything I throw at him with confidence, skill, and an amazing attitude. His patience, dedication, and willingness to put up with me means more than he knows. We were thrilled to have Haidyn Napper join us again after graduating from Olds College. She is smart, mature, and capable beyond her years, with a work ethic that is truly admirable. This crew is outstanding and brings us great joy to work alongside them. They are part of our family and one of our biggest blessings.

The coffee's on! Our door is always open, and the bull pen is accessible for viewing anytime. Please feel free to call or text if you have any questions. Everyone is welcome to come out to the farm on sale day, February 6th for some hospitality.

## FROM THE DESK AT T BAR...

February 6 marks the Third Annual Wirstuk Two-Year-Old Bull Sale at the ranch near Cutknife, Saskatchewan. While this is their third sale this family operation has been supplying herd bulls for years. This year they once again offer a powerful and exciting lineup designed to add pounds and real value to your bottom line.

Packed with performance-driven, profit-making bulls developed specifically to be marketed as two-year-olds, developed slowly to maturity... born on grass, and raised on grass. This sale offers some of the best cattle of the industry's most profitable breeds, this offering delivers consistency, efficiency, and functionality.

The Charolais bulls are made right! Thick, hairy, and moderate in frame, with solid and uniform performance data and—most importantly—no calving issues. They will go on to raise those tans or silvers that the market can't get enough of! The Sim-Angus bulls offer the same quality and performance as the whites, with added hybrid vigor and color variation. Selecting a Sim-Angus means extra pounds at weaning and replacement females you won't want to part with.

As you go through this great offering it is easy to see they are a strong family operation dedicated to producing high-quality breeding stock for both commercial ranchers and purebred breeders. The depth of this sale ensures bulls are suitable for all types of operations and all types of budgets.

These bulls are built to last, add pounds at weaning, cover more cows, and handle larger pastures. If you are on Highway 40, stop by the ranch any time before the sale to view the lineup. The Wirstuk family will be pleased to provide a personal tour, or feel free to give them a call.

We have toured the bulls that are backed by a great cowherd. If we at T Bar C may be of assistance before or on sale day, please do not hesitate to contact any member of our team. We are happy to help in a professional and confidential manner.

**Chris Poley**

# CHAROLAIS

These boys are born unassisted on grass and start growing. They are thick and hairy and sure to put pounds on your calves. They are just what you need to make those cross bred tan and silver calves that top the market year after year.

# MEET THE W CREW

Shantel, Trent, Brett, Abby, Haidyn, and Jackson ready for sort day.  
This truly is the "dream team".

The people working beside us—our family—and those who feel like family are the greatest gift. We have been beyond blessed with the team that supported us throughout the year. This crew accomplished a tremendous amount of work, all while sharing many laughs along the way. We could not be more grateful.

Brett Wasmuth and his daughter, Emmersyn. Brett is a year-round part of our team, and his work ethic, dedication, and great attitude keep our days productive and full of laughs—we couldn't be more thankful for him.

Trent & Shantel

Haidyn, Trent & Brett

Harvest Crew

Haidyn Napper-Whiting returned for her third season this spring and stayed through November. She has become a true asset to both our team and our family, and we're already looking forward to having her back in the spring!

# SIMANGUS X

50% Simmental, 50% Angus

These boys will make your breeding program simple. They provide hair, muscle and performance in your calves while maintaining moderate frame, calving ease, maternal instinct, and calf vigour. They will give you the best of both worlds.

**TERMS:**

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**CERTIFICATE OF REGISTRATION:**

Each animal will carry papers issued by the Canadian Charolais Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**PEDIGREE ESTIMATES:**

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**HEALTH:**

All animals in the sale have met all necessary health requirements.

**GUARANTEE:**

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the applicable breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

## & conditions

**LIABILITIES:**

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**DELIVERY:**

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

**PHONE, MAIL, WIRE BIDS:**

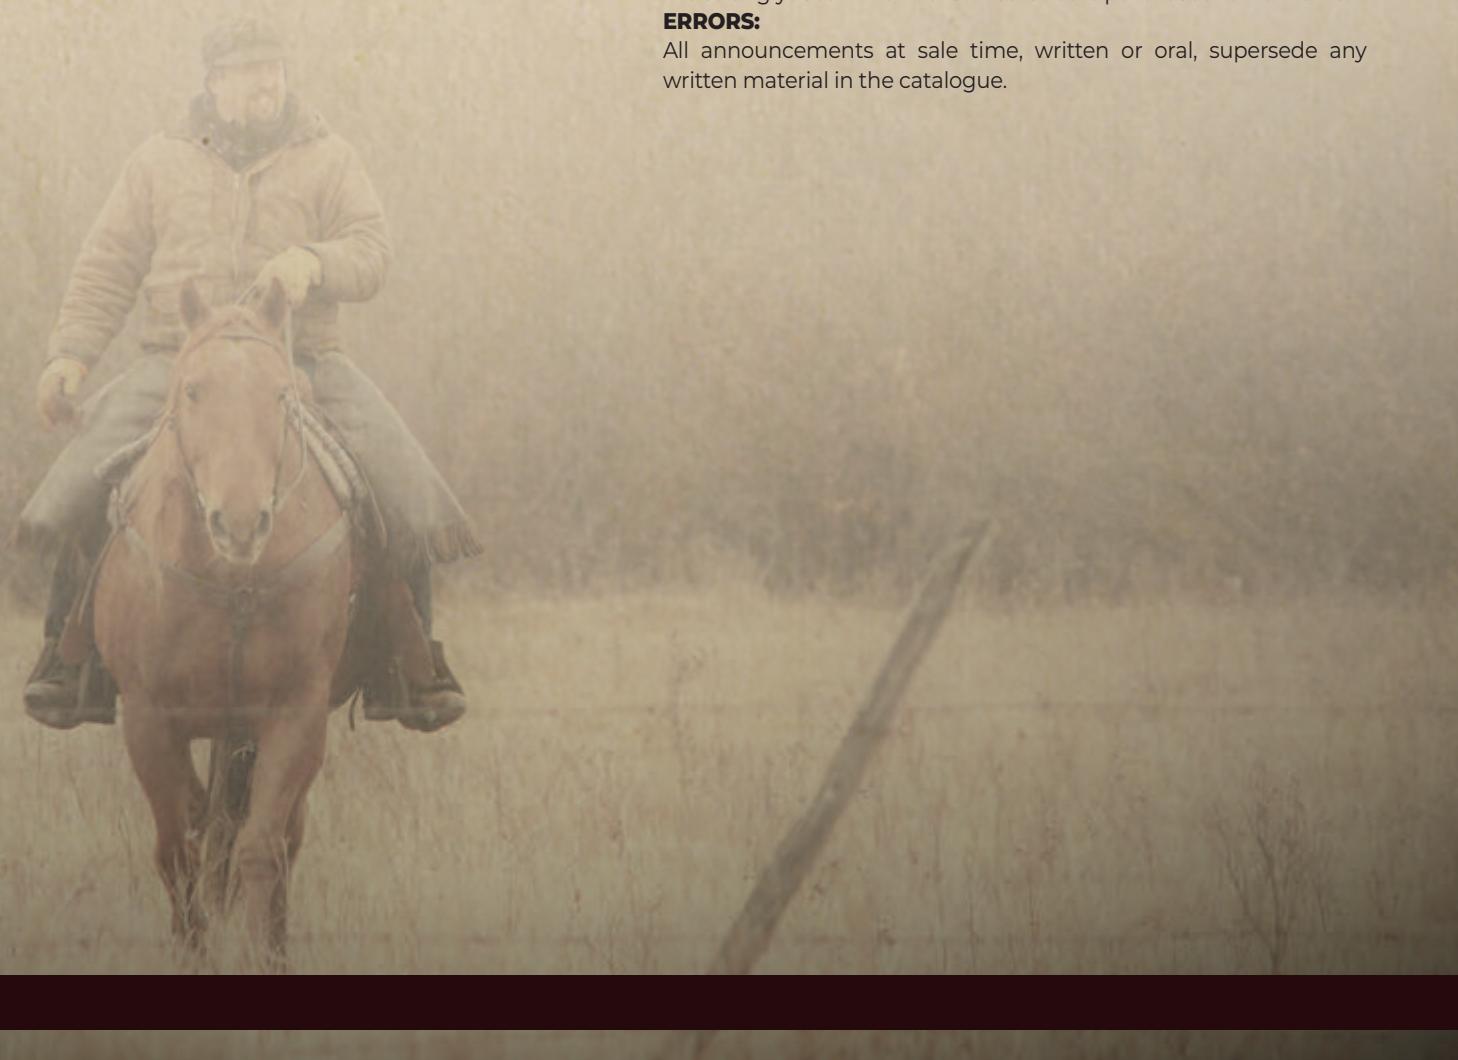

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**INSURANCE:**

We strongly recommend that insurance is purchased for full value.

**ERRORS:**

All announcements at sale time, written or oral, supersede any written material in the catalogue.
