

WOOD RIVER CHAROLAIS

MATURE COWHERD DISPERSAL

SALE TIME 1:00 PM | WEDNESDAY, DECEMBER 2, 2026 | MOOSE JAW, SK

WELCOME FROM WOOD RIVER CHAROLAIS

It is with mixed emotions that I write this. Over 50 Years of dedication to this breed and it will continue, it is hard to not get excited when you see a ring full of these big, good-haired Charolais cattle in the auction ring! My mind says charge on, but my body is thinking otherwise. These cattle have been great to us while raising a family we are very proud of! The cattle have worked for us and our customers, they are not babied. I am very confident they will work for you. We are not show ring people but these are working cattle that could show if you so desire. Udders and structure have always been forefront for us.

Hope you can be with us on December 2nd.

- Murray Blake

FROM THE DESK AT T BAR C

There is a lot of history, hard work, and pride behind the Woodriver Charolais program. For over 50 years, the Blake family has been dedicated to breeding Charolais cattle, building a program rooted in strong cow families, sound fundamentals, and the ability to thrive in the tough short-grass country.

This is a hard-working, honest herd that has been built to last. Generations of carefully selected females have formed the backbone of a program that has supplied beef bulls to many repeat customers over the decades. That kind of longevity speaks volumes about the consistency of the cow herd and the confidence customers have placed in the Blake family's breeding program.

Sales like this one always come with mixed emotions. After more than five decades of dedication to the Charolais breed, Father Time reminds us that it is time to slow down and enjoy the next chapter. While this marks change for the Blake family, it also opens the door to some exciting opportunities for others.

Whether you are looking to expand an established Charolais operation, strengthen your existing cow base, or take the first steps into the Charolais business, this dispersal offers an opportunity to acquire cattle with a proven history, dependable genetics, and the kind of foundation that takes years to build.

On behalf of the T Bar team, we are proud to be involved in this offering and invite you to take a close look at the Woodriver Charolais mature cow herd. We believe the strength of these cow families, the longevity of the program, and the practical nature of these cattle will be appreciated by breeders looking to build for the future.

We wish the Blake family all the best as they move into their next chapter, and we look forward to seeing the Wood River influence continue in the herds of those who invest in this offering.

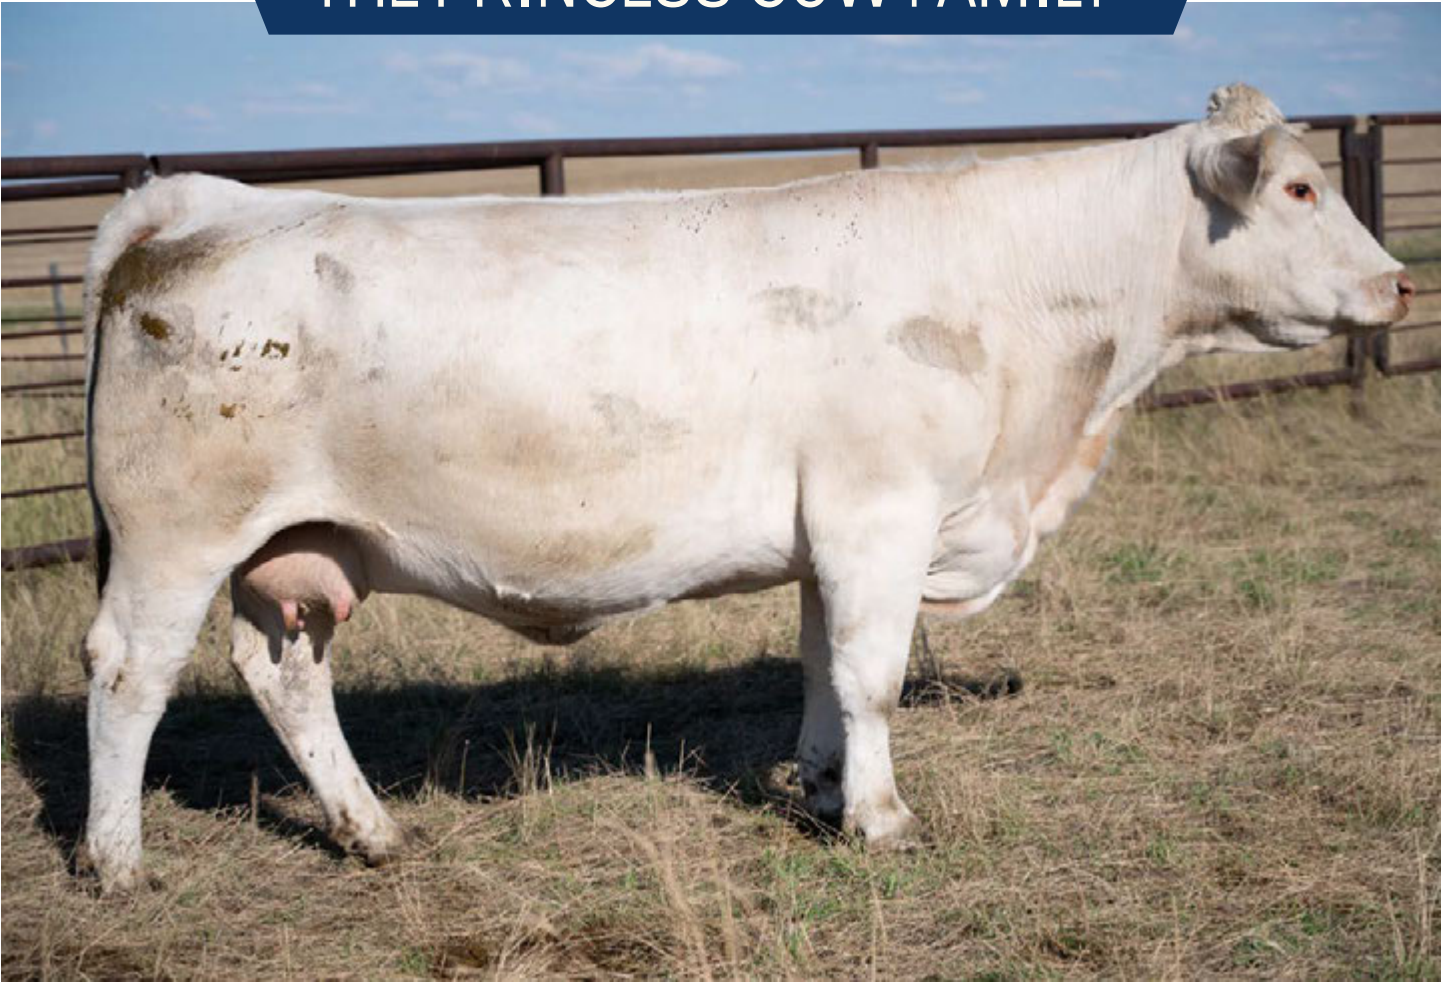

Sincerely,

- The T Bar Team

In 2023 we were searching for a heifer bull and we found Kingman 272K. Used exclusively as our heifer bull for three years. Because of so many daughters retained, moved him to the cow herd this year. Easy calving bull with functional cattle at the end. Due to his daughters retained we are offering him for sale.

WHITE // POLLED // BW: 87 LBS. // WW: 730 LBS. // YW: 1175 LBS.

High selling bull at Palmer 2025 Bull Sale. A real performance bull with hair. Due to our major reduction in numbers we are offering this bull for sale. Runner up on this bull was one of our leading breeders in Canada!

TERMS & CONDITIONS

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration: Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health: All animals in the sale have met all necessary health requirements.

Guarantee: As this is a dispersal sale, all cattle sell with no further guarantee. Any known defects will be announced before the cattle are sold.

Pregnancy Information: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

Liabilities: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and

any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery: Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail, Wire Bids: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance: We strongly recommend that insurance is purchased for full value.

Errors: All announcements at sale time, written or oral, supersede any written material in the catalogue.
