Thank you for your interest in our 2026 offering! There are plenty of bull sales this season, and we're grateful that you're taking the time to flip through our catalogue. We're extremely proud of the females behind the bulls in the 2026 Sale. Most were born on farm, and the select females that were sourced, were done so strategically. We're coachable, cost effective, and (perhaps most importantly) transparent about how the bulls are developed. If you have any questions about these bulls, please feel free to reach out. We'd be more than happy to chat about what we're doing!

This will be a live video sale broadcast by DLMS, in the heated shop at Bridgeway just a short walk from the bull pens. We're proud to work with DLMS again this season and aim to make sale day as easy as possible for all involved. Sale Day, please be our guest; we'd love to host you on farm and share a bit of hospitality. We'll be serving a hot beef meal immediately following the sale, and our famous punch will be on tap!

The entire offering of bulls has been developed here together, so feel free to pop in anytime for a tour; we encourage you to view these bulls at your convenience ahead of sale time. Videos will be available online at DLMS.ca, where you'll also find supplemental data closer to the sale.

See you Sale Day!

We chose to lead off our 2026 offering with a batch of 'Mossy' sons; he was a high selling acquisition a few springs ago and we unleashed him in our heifer pasture. He's smooth, dark, and long; exactly what we were looking for. 57K is a prime example of Secretariat's legacy; she's a broody mama cow with a perfect udder. And, sometimes, we get the matings right: Lot 1 is a tremendously long spined, thick, solid rascal with that masculine look about him.

Terms

Terms Of Sale: Are cash or cheque at par, payable sale day unless previous arrangements have been made. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure times.

Semen Interest: Consignors reserve the right to retain 1/3 semen interest in every bull sold.

Announcements: All announcements made sale day shall take precedence over the printed matter in the catalogue. Actual weights and scrotal measurements will be available sale day.

Accidents/Liabilities: All persons who attend the Sale do so at their own risk and the Owners and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

Fertility: All bulls will have had a complete physical and fertility exam by an accredited vet.

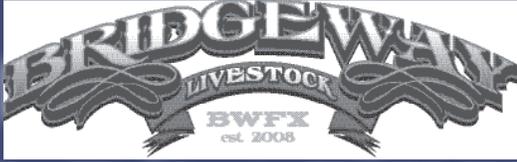

Bull Warranty: All cattle are sound and right and sell as outlined by the "Responsible Breeders" policy. Any problems or concerns need to be sent in within 6 months to us for consideration. No bull will be refunded for more than actual purchase price and no animal subject to mistreatment or injury will be refunded. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Angus Association shall apply.

Delivery: Consignors will aid in delivering or assisting in the delivery of your bull. Should you not be prepared to take your bull home on sale day or immediately following, the bulls can be left in the care of the consignors for no charge until May 1st.

Sight Unseen Purchases: If you have interest in bidding but are unavailable to attend the sale, please feel free to contact the Consignors or Sales Staff to discuss the offering with you. All of our sales staff will be available sale day for bidding over the phone.

We strongly advise insuring your new bull if he'll be remaining at Bridgeway Livestock prior to delivery.
