

23<sup>rd</sup> annual

# YOUNG DALE

ANGUS BULL & FEMALE SALE

APRIL 14<sup>TH</sup> 2026 2:00 PM CDT TAYLOR AUCTIONS - MELITA, MB

# WELCOME FROM YOUNGDALE ANGUS

Well what a year to reflect on, the cattle business is at an all time high with a very bright future we all hope. It's about time us producers are starting to get paid for our time and worth - it's been a very successful sale season with high averages of very high quality seed stock on offer. Excitement is in the air for the cattle industry.

This fall we finally got back out on the show road and got to witness Young Dale Spur 93M be chosen as Agribition Junior Champion Bull, being exhibited by Cripple Creek and Summit Angus of Pleasantdale, Saskatchewan, purchased out of our sale last year. Spur made a lot of friends and has a very exciting future ahead of him, keep an eye out for his progeny next year.

This year is the first time we will be offering progeny out of Arda Big Iron 523K and we can't be more excited for your evaluation, Big Iron has a put width of top and a hip into the cattle second to no other, we think everyone will be able to appreciate the quality of his calves, he is leaving a big impact here at Youngdale and hope to pass those genetics on to our valued customers.

We believe this group of cattle we have on offer this year is the most consistent group we have ever offered, they are naturally thick with muscle shape and plenty of eye appeal. The Youngdale look that years of breeding sound high quality cattle that we are very proud of with many cattle in this sale that we would be more than happy to walk our pastures but you can't keep them all and its our job to supply our customers with quality cattle that we stand behind proudly. So we welcome you all to come down to our little corner of the province, were sure you wont be disappointed, please accept our invitation on April 14th and as always everyone is welcome at Youngdale to come see the cattle before the sale!

**Barry, Marj, Robb, Cordell** 

# FROM THE DESK AT T BAR C

It is our sincere pleasure to invite you to join us on April 14, 2026, at Taylor Auctions in Melita, Manitoba, for the Annual Young Dale Angus Bull and Female Sale. The location has changed this year, but after 65plus years in the business and the 23rd edition of this event—a milestone that speaks to the strength, dedication, and long-standing commitment and long-term vision that goes into building a program of this caliber—and this offering is no exception.

The strength of Young Dale lies in its consistency. A cow herd built with purpose, backed by generations of disciplined selection, continues to produce cattle that are functional, sound, and relevant to today's industry. These bulls are developed with longevity in mind—designed to go out, cover ground, and add value where it matters most: pounds, predictability, and maternal strength.

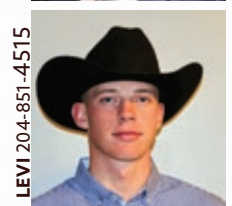

As you study the offering, you'll find a uniform set of bulls that excel in structural integrity, foot quality, and fleshing ability. They are athletic, practical, and bred to thrive under real-world conditions. Whether your focus is calving ease, performance, or building a strong set of replacement females, there is depth here to meet a wide range of breeding goals.

What truly sets this operation apart, however, is its reputation. Built over time through honesty and customer satisfaction, Young Dale stands firmly behind their cattle. When you invest here, you're not just purchasing a bull, you're aligning with a program that is committed to your success.

To the repeat buyers, your continued support speaks volumes and is sincerely appreciated. To those new to the program, we encourage you to visit with the family, study the cattle, and take full advantage of the opportunity in front of you.

If we at T Bar C can be of any assistance leading up to or on sale day, please don't hesitate to reach out. Our team is always happy to help in a professional and confidential manner.
