

ARDA BULL SALE

Where real performance begins.

FRIDAY, MARCH 13, 2026 AT THE FARM, ACME, ALBERTA

ARDA FARMS & FREEWAY ANGUS

WELCOME TO OUR 29TH ANNUAL BULL SALE

Welcome to Arda Farms and Freeway Angus' 29th Annual Bull & Female sale. Our sale is not solely based on our cattle, but our multi generational history with the cattleman that purchase our bulls. In saying that, we'd like to extend our thanks to our past buyers, bidders, friends and community for their continued support of our program, and welcome new customers to our sale.

Our cattle are our life. We know them, watch how they develop, and manage them with longevity in mind. A program built on deep respect for the cow and maternal lines that work for a living. Our bulls are a proven result of consistency that comes from generation after generation of the best cows.

The bulls on offer are stout, structurally sound, and built to last in real world conditions. Strong footed, functional and bred with longevity and fertility in mind. These bulls will produce fleshing ability and performance that translates into profit, whether retaining females or selling calves at weaning.

The operation is built on years of selection, experience and a genuine love for the Black Angus breed. We encourage you to come visit, and tour the cattle anytime. We look forward to seeing everyone March 13th at the ranch in Acme, AB.

Sincerely,

The entire gang at Arda Farms and Freeway Angus.

We sent our good friend Jim Henderson on the hunt for a bull who presented true angus characteristics, extremely good feet and moderate BW. The result was LT. Bull numbers are limited this year due to a heifer heavy calf crop. The quality and performance are exactly what we expected, we are sure impressed with them.

Our second Hill Valley Reckoning son from Young Dale Angus. Kruller is a complete made, balanced bull standing on a strong foot. Extremely docile, backed by Young Dale Donna 174B, a top cow from the YDF program. This bull is breeding really well and was used heavily this past breeding season.
