WELCOME

Welcome to our Fifth Annual Online Bull and Heifer Sale and thank you for taking the time to view our offering.

First and foremost, we want to extend a heartfelt thank you to everyone who has supported us over the years. Whether you purchased from us, visited the farm or simply followed along with our program, we truly appreciate your trust in our cattle and breeding philosophy. Your continued support means the world to us.

Last year's sale was a tremendous success, and we truly enjoyed meeting buyers from all across Alberta, BC and Saskatchewan. We found ourselves traveling to parts of southern Alberta we had never seen before, delivering the cattle sold in the sale and seeing new country, and learning how others farm, experiences we genuinely value and appreciate.

This past November we attended Farm Fair in Edmonton, taking 7 animals with the help of 3 of our grandkids. We stayed in an Airbnb for six nights in the city, which makes our life easier as no traveling back and forth to the farm. Even more importantly, it gave us precious memorable time to spend with our grandkids. The shows are lots of work, but those grandkids are always right there helping- bringing the animals in and out of the barn morning and night, washing and blowing them off, feeding them and then helping Papa Duane lead them in the show ring. It's moments like these that make him a very Proud Papa. Our Yearling Bull -Bluesky Night Owl got Reserve Champion in the Purebred Maine Anjou class and our 2 year old heifer JOR 54M, also got Reserve Junior Champion. In November we went to Regina Agribition, but this year, we had Jordan Retzlaff and his dependable crew get our 2 animals ready and take care of them for 10 days. We arrived in Regina Tuesday night, just in time for Duane to show Wednesday afternoon. He showed our two year old Heifer who got Reserve Junior Champion and then he showed our Yearling Bull Mr Bluesky Night Owl who placed 3rd in the Maine Anjou Yearling class. We enjoyed 2 days in Regina, visiting with Jordan and his crew and all the other Maine Anjou Breeders.

Once again we were fortunate to have our grandson Wyatt, who just turned 16, spend five days with us, washing and blowing the animals off and then helping Duane bring them down to the pen so that I could take photos and videos of the 43 animals in this catalogue. We are incredibly thankful for this young man- raised with a strong work ethic and plenty of common sense. After finishing photos for the day, he would turn to Duane and say "What can I do to help you Papa, so that you are not out here too late?" We couldn't be prouder. He truly is our cattle whisperer, and we cherish every moment we get to spend working alongside him.

We are on a complete herd health program with the Viking Vet Services. Every year at preg check time, we go through our females and assess for good udders, good feet, good fleshing ability, temperament, and calf performance. Our bulls are fed a customized, weighed feed program, consisting of corn silage mixed with chopped hay and straw, and pail fed the 16% bull pellets to ensure that they get the exact amount to promote perfect muscle growth. These bulls are not fed to be fat but the idea is to develop these bulls to ensure they have longevity. Heifers are also fed a customized, weighed corn silage and chopped hay mix with 2 lbs of ground grain. A big thank you to Wetaskiwin Co-op Feeds for their ration assistance and supplement program.

We're excited to present this year's offering, a group of strong, functional and well-built bulls and heifers that we're truly proud of. As always, if you have any questions or want to discuss which animal would be the best fit for your program, feel free to reach out. We look forward to working with you again.

Thank you for your continued support and happy bidding.

HOW TO BID

HOW TO BID | WWW.FARMGATETIMEDAUCION.CA | HOW TO PARTICIPATE IN A FARMGATE TIMED AUCTION

After you are at the Farm Gate Timed auction site click the LOGIN/REGISTRATION button.

FIRST TIME FARM GATE USERS:

- First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. (please note due to some of the text notification features the Farm Gate Time Auction Site requires a new account separate account from your DLMS Live sale site)
- After you create your Farm Gate account you will receive a txt message with a pin code to verify your account.
- On your first log in to Farm Gate Timed auctions we recommend you go to your profile and confirm your notifications are set to YES. This allows the site to send you text and/or email notifications when you are out bid and if there is activity on your favorite lots.

RETURNING FARM GATE USERS:

- If you have used Farm Gate Timed auctions in the past simply enter your user name and password to continue. After you have logged in you are able to browse the timed auctions on DLMS Farm Gate Timed Auctions.

HOW TO BID IN A TIMED AUCTION

Now that you are logged in and your account phone number / email is verified you are able to bid on an upcoming sale. Simply find the lot you are interested in bidding on. After you have found the lot there are 2 options for bidding on the lot.

PLACE NEXT BID – to place the next bid on the item, you see the amount in the first box, you simply click the “Place Bid” button and after you review the bid and agree to the terms and conditions your bid will be placed.

- **Max Bid Amount** – to place a max bid you put your max bid in the second box listed as “Max Bid” on the item, and then click the “Place Bid” button and after you review the bid and agree to the terms and conditions your bid will be placed as the next bid. With the Max Bid placed the computer will then keep you as the high bidder to the max amount you have placed. This can be a great feature if you are not able to give 100% attention to the sale close out and protect your interest so you do not miss out on any lots you want to purchase. The Max Bid amount is completely confidential from the seller during the sale process.

EXAMPLE OF HOW THE MAX BID WORKS - If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest. Please note that in some cases a lot value can change very quickly if 2 max bids are placed on the same lot competing against each other.

WATCH LIST FEATURE

If you have items in multiple auctions or only a few from the same auction that you want to watch with out having to scroll through the entire list you can add the lots to your watchlist. On each lot you will see the “eye” button beside the bid button, by clicking this “watchlist” icon that item is added to your personal watchlist for easy viewing of just your favorite lots in this sale or on the entire site.

SALE ENDING / CLOSEOUT

Most Farm Gate Timed Auction sales close racehorse style with extended bidding.

WHAT IS RACEHORSE STYLE CLOSE?

Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORKS?

When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

BIDDING CLOSE & FOLLOW-UP

After the clock has gone to “ENDED” and no bidding has occurred for 5 min the computer will declare the sale finished. Following the close typically within 24 hours of the sale close the sale consignor will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot. Or as the winning bidding you can contact the sale consignor / sale manager to confirm payment instructions.

Please make sure that your account info is up-to-date and correct if you are the winning bidder of a lot as this is how the billing is sent to Sale manager and/or Sale consignor.

1 MR BLUESKY NIGHT OWL JOR 20N

524801 | JOR 20N | January 10, 2025 | Polled | Purebred 7/8

BW 89 lbs | ACT WW N/A | Jan 24/26 1380 lbs

SIRE **DJS BEAST 012H**

WSSC CODE BLACK 156E ET
DJS MISS NIGHT HAWK 735T

DAM **MISS RONSKO JOR 20G**

RAPID CREEK EGOR 555E
MISS RONSKO JOR 70E

Here's a Beast bull we have been excited about all summer. Night Owl began to rise above the others at an early age. He possesses an impressive amount of muscle mass, he is very wide topped and soft through the middle. He is an excellent headed bull and carries himself with that herd bull presence. Night Owl comes from our very strong cow family, Miss Ronsko JOR60C, his grandmother, who has produced some outstanding females and now the best bull we have ever raised.

2 BLUESKY NOVA JOR 77N

524808 | JOR 77N | January 21, 2025 | Polled | Purebred 7/8

BW 86 lbs | ACT WW 850 lbs | Jan 24/26 1310 lbs

This is a very thick Lock & Load bull. He is very deep ribbed, with a long straight thick top, big footed, has a great coat of hair and is quiet. Watch the video, he is just a bear. He will give you those stout, deep ribbed, fast growing calves. He is a good one!! Weight of gain 4.21 lbs on a 107 day feed program

Here is a handsome young Beast son, not born till March 11, but still had a weaning weight of 700 lbs. This guy is so smooth muscled, thick topped, wide body, with very smooth shoulders and a small head. This will be a very strong Herd Sire. Really impressed with this guy! Weight gain of 3.64 lbs on a 107 day feed program.

Well here we go on these great heifers, Miss 131 is a Lock & Load daughter, the first time offered in Canada, a new blood line from Eastview Maines out of Minnesota, that we found at the Denver show in 2023. We are very impressed with the calves from this bloodline. Miss 131 is long bodied, thick ribbed with beautiful front, head and shoulders, This truly is a fancy show heifer that will also give you some fancy calves. And with the Beast genetics on the dam side you can't lose.

Another very strong DJS BEAST 012H heifer built for performance. This heifer has a very long frame with a deep rib thickness and wide top. She is a big framed heifer like her mother and will make an excellent addition to your herd

SEMEN LOT

We purchased this bull as a yearling from Doug & Donita Schuckburg in 2021. He has been the real deal-proven both in structure and in the quality of his offspring. His calves are consistently showing the fastest weight gain. That's a huge plus for anyone looking to add performance to their herd. His daughter Jor60K in November 2022 at the Edmonton FarmFair show took Reserve Champion Maine Anjou Purebred Heifer and then at the Regina Agribition two weeks later she also took Reserve Champion Maine Anjou Purebred Heifer class and also won Champion Maine Anjou Heifer Class and then went on to win World Champion Maine Anjou Heifer in 2023 after winning numerous classes being shown by her new owner Emily Yaremko- Carpathian Farms
