Welcome to our 17th Annual Bull Sale!

It is hard not to be optimistic about the cattle business this year. Record prices for calves, great prices for cull cows and bulls. A great time to have inventory. When my parents Carl and Ruth started raising Horned Herefords 77 years ago, I don't think they could have envisioned this.

Carl and his family are offering 30 working bulls in the sale this year and we have 20 bulls along with 8 heifer calves. These bulls are a very uniform group, with lots of muscle, great feet and legs; bulls that we will stand behind and that should last for years.

All bulls are semen tested, fed a high roughage ration and worked off a horse. We offer free delivery to the western provinces or the US border.

Randy is going to smoke up his famous Prime Rib for us again, you are welcome to join us on February 12th for lunch.

We would like to Congratulate Misty Valley Farm on hosting their 50th Annual Bull Sale, Vic had a love for Hereford cattle and people, a trait Harold, Maurice and families have carried on. Congratulations on your milestone.
