COW*BOYS

welcome

FROM THE "COW-BOYS" CREW

To Our Valued Bull Buyers,

First and foremost, we would like to extend our sincere gratitude to all of our past buyers for your continued trust and support in our programs. Your confidence in our cattle means a great deal to our families, and we are proud to see our bulls working in herds across the region. It is your loyalty and belief in our breeding programs that drives us to keep improving year after year.

We are excited to present this year's lineup of yearling bulls — a group we feel represents the strength, quality, and consistency we strive to produce. These bulls have been developed with a focus on sound structure, performance, and genetics that will add value to your operation.

We would also like to extend a special thank-you to Taylor Auctions in Melita for hosting our sale each year and for their continued professionalism and support. An additional heartfelt thank-you goes to Brock Taylor for the time and care he puts into preparing and smoking the brisket for the annual sale lunch — a tradition we all look forward to and truly appreciate.

If you are unable to join us on sale day, our farms are always open for viewing. Please contact any of the consignors to arrange a convenient time. We will also be hosting an Open House on March 17 at Taylor Auctions.

We look forward to visiting with you on sale day and wish you the very best in the coming year.

*Sincerely,
The "Cow-Boys" Crew*

DLMS.CA

SIGHT UNSEEN PURCHASE PROGRAM

Call us to discuss your specific needs. We will make the selection and fully guarantee your satisfaction.

“Don’t like him, you don’t own him”

DELIVERY

Take your bulls home sale day and receive \$100 off of your purchase. We will deliver free of charge until April 1st within a 300km radius. Beyond that distance and time bulls will be delivered to the closest central points. After April 1st delivery becomes the responsibility of the new owner. Bulls staying past April 1st will be charged \$3/day. If you wish for your bulls to stay in our care, we would ask for you to protect your investment by purchasing insurance which will be available sale day. Animal(s) become the responsibility of the purchaser after being sold.

ALL BULLS WILL BE SEMEN TESTED PRIOR TO SALE TIME

CATALOGUE CREATED BY

14 West Creations

SEMEN INTEREST

Cow-Boy Sale Group reserves the right to retain an interest in any of the animals selling. The consignors reserve the right to collect 100 doses of semen on any bull in the sale at their expense and the buyers convenience. The semen is for in-herd use only.

OPEN HOUSE

Join us on March 17 from 1PM to 7PM at
TAYLOR AUCTIONS, MELITA, MB
to view the bulls on display

- This moderate, smoothly made bull stands out for his balanced structure and quality.
- His sire was intentionally introduced into the herd for his strong maternal lineage, aiming to produce robust females with lasting productivity.
- With a big frame and solid bone, he is well-suited for commercial operations looking to add both substance and maternal strength to their cow herd.

This Rip son is a stud! Massive from the ground up. Great foot, leg and very sound. This guy is extremely good from any way you study him. Being sired by Rip he will add pounds and longevity to your females. His cow family is our absolute favorite around here, If you come for a tour of the herd you'll notice most of the herd are 'Hopes.'

Cow bull.

LOT 87

TERMS & CONDITIONS

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue.

Current exchange rates will be announced sale day. All monies are in Canadian funds.

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

All animals in the sale have met all necessary health requirements.

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

All announcements at sale time, written or oral, supercede any written material in the catalogue.

Cow-Boy Sale Group reserves the right to retain an interest in any of the animals selling. The consignors reserve the right to collect 100 doses of semen on any bull in the sale at their expense and the buyers convenience. The semen is for in-herd use only.
