DLMS FARMGATE TIMED AUCTIONS How to Participate

1. Visit dlms.ca and follow the link to the DLMS Farm Gate timed auction site www.farmgatetimeductions.ca, click the **LOGIN/REGISTRATION** button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots, or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your username and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity. 2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective, and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.

4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time, the computer will declare the sale finished.

5. Following the sale, DLMS will email an invoice to all buyers in the sale. Please contact Stephen with questions or to arrange delivery of your purchase. **Stephen Wielgosz Ph: 306-279-7709.** For more info and assistance with bidding contact any of the sales contacts listed on the DLMS website; DLMS Farm Gate Timed Auctions ~ **Mark Shologan Ph: 780-699-5082.**

WELCOME FROM

Creek's Edge

Welcome to our 2026 bull sale catalogue! **WITH THE ADDITION OF PUREBRED REPLACEMENT HEIFERS!** We are excited to present this great set of bulls to you! These bulls will sell on the DLMS Farmgate Timed Auction on March 11 & 12th. The timed auction system is well received in the Ag industry as a whole and has proven to be a great fit for our customers.

This pen of bulls is the result of a breeding program built on practical genetics, careful selection and hands-on management. They are honestly developed and managed with longevity in mind. Our goal has always been simple: to produce bulls that add value to our customers' herds and work for them year after year. To accomplish this, our bulls need to be structurally sound, fertile, easy to handle, and they must carry all the traits needed to produce calves that top the market. The bulls in this catalogue cover all these bases.

New this year is the addition of 10 purebred

replacement heifers to the sale. These females will be a great addition; whether you are adding to an existing purebred herd or are just getting started.

We sincerely appreciate the confidence our customers place in our program year after year. Whether you are a long-time supporter or considering our genetics for the first time, we invite you to study the catalogue, visit the bulls prior to the sale, and contact us with any questions. The bulls and heifers are available anytime for viewing so just come when it works for you **OR JOIN US ON SUNDAY, MARCH 8, 2026 FOR OUR OPEN HOUSE!**

Sincerely,
Stephen, Kristin, Anna, Ava, Carter & Charlotte

IMPORTANT INFORMATION

BULL EVALUATION: All bulls will be semen tested prior to the sale. Sale day weights and scrotal measurements will be posted on the DLMS TIMED AUCTION CREEK'S EDGE SALE closer to sale day.

DELIVERY: If you pick up your bull(s) by March 22 you will receive \$100 off your purchase. We will deliver your purchase free of charge, up to 300km prior to May 1. On distances over 300km arrangements will be made to meet at a central point. If you are not able to take delivery prior to May 1, we will charge \$5/day/bull and the bull(s) must be picked up before June 1.

VACCINATIONS AND HERD HEALTH: We work closely with our veterinarian Dr. Victor Kernalguen of Gateway Vet Services in Melfort. Our animals have been on a herd health program since birth and our cowherd is Express Verified.

NUTRITION: We work with our herd nutritionist to ensure that our bulls are being fed a complete ration that will optimize growth and development of the bulls and ensure high performance and longevity. Our bulls are fed a TMR which includes - barley silage, alfalfa brome hay and a complete protein pellet with mineral package.

SEMEN RIGHTS: Creek's Edge Land & Cattle Ltd. reserves the right to collect semen on all the bulls sold in the sale. Semen collection will be at the seller's expense and owner's convenience.

SIGHT UNSEEN PURCHASE PROGRAM: We know that as producers, you may be busy and unable to tour the bull pen. We can assist you with finding the right bull(s) to meet the needs of your program. Please feel free to contact us for assistance with finding the right bull(s) for your program requirements.

CATALOGUE ERRORS: Errors discovered in the Catalogue will be corrected on the DLMS Farmgate website and the correction will take precedence over printed material in the catalogue.

VIDEO OF THE BULLS: Video of the bulls will be posted on the Creek's Edge Charolais website, as well as the Creek's Edge DLMS FarmGate Timed Auction page. Please watch for them!

INSURANCE: Steen Agencies will provide insurance available to purchase on sale day. The animals become your responsibility as soon as sold. We recommend insuring your purchases!

EXCHANGE RATE: For our American friends, the exchange rate will be displayed on the DLMS FarmGate Timed Auction site.

CERTIFICATE OF REGISTRATION: Once payment has been received for your bull you will receive a Certificate of Registration from the Canadian Charolais Association.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers while touring the bull pen, Creek's Edge Land & Cattle Ltd. or the Wieglosz Family assume no responsibility in the matter and disclaims any liability, legal or otherwise in the event of an accident or loss of property.

PAYMENT: Payment can be made directly to Creek's Edge Land & Cattle Ltd. You will receive an emailed invoice from DLMS after the sale has closed. We will accept cash, cheque or e-transfer. All monies are in Canadian Funds. Bulls will not be delivered until payment is received.

Creek's Edge Land & Cattle Ltd.

	85	780	/		16.2	-1.3	48	105	17	13.3

We were in search of a calving ease AI sire to use on our replacement heifers and Griffin seemed to fit perfectly. He has calving ease in his pedigree, growth in his calves and that's all wrapped up in an attractive, smooth made package. Griffin has good foot structure, is sound and moves well.

	108	740	1096		3.4	1.0	51	97	23	-6.2

Red Rock is a muscular, easy doing bull. He has excellent feet and a great hair coat. His calves follow in his foot steps being a herd bull type, sound, functional and consistent. He throws that tan colour that can work well on your white cows, tan cows, or for those herds who have a few black cows. His daughters are going to be a real asset in the future here. Already raising top quality calves.

Creek's Edge

Charolais Bull & Female Sale

New This Year...

This is an exciting opportunity to add Creek's Edge Females to your herd. Whether you are building on an existing herd or just getting started these females have a strong foundation behind them.

These heifers represent the different sires that we use and come from proven, top producing cows. They are in great breeding shape as they were managed responsibly with our entire heifer pen. These heifers are feminine, sound, and free moving. They will be a great addition to your herd.

Pictures and videos will be available of all heifers on the timed auction sites.

THE VIDEOS WILL ALSO BE POSTED ON OUR WEBSITE
