PARKVIEW FARMS

The First Annual

PARKVIEW FARMS

PUREBRED & COMMERCIAL BRED HEIFER SALE

December 1st

1:00 PM :: AT THE RANCH :: FALUN ALBERTA

WELCOME

from Parkview Farms

On behalf of the entire Schmidt family, it is our pleasure to welcome you to our First Annual Bred Heifer Sale! We are proud to reach this milestone in our operation and are excited to offer a selection of females from our herd to fellow cattle producers for the first time.

Our family's roots in agriculture date back to 1928, and four generations later, our passion for raising quality cattle and building a lasting operation remains as strong as ever. We give all glory to God for His continued grace and faithfulness to our family, and for the many blessings and opportunities He has provided along the way.

We take pride not only in the cattle we raise, but also in the relationships we have built along the way. This sale marks an exciting new chapter for our family, and we look forward to the opportunity to contribute to the success of other cattle producers.

We believe the foundation of a successful cow herd begins with quality females. Our focus is on raising practical and productive cattle with the maternal strength, soundness and the longevity needed to thrive in a commercial operation. It is our hope that these heifers will go on to become dependable, hardworking and valuable additions to your herds for years to come.

As our operation and family continues to grow, we remain grounded in the values that have guided our family for generations: faith, hard work, integrity, and a commitment to raising quality livestock. These values remain at the heart of everything we do and the legacy we hope to carry forward.

We are sincerely grateful for the supportof our family, staff, friends, neighbours, and fellow cattle producers. Whether you have known our family for years or are becoming acquainted with Parkview Farms for the first time, we look forward to visiting with you and sharing in this exciting occasion.

Thank you for taking the time to consider our offering and for being part of this new chapter in our family's story.

-The Schmidt Family

HERD HEALTH

All bred heifers have been raised under a comprehensive Pfizer Gold herd health program since birth.

Prior to breeding, all heifers received Bovi-Shield Gold FP 5 as part of our established vaccination protocol. At pregnancy testing, the heifers were treated with Ivomec and vaccinated with ScourGuard and Covexin.

In addition, all heifers have been maintained on a complete mineral and nutritional program developed in conjunction with Country Junction Feeds, supporting optimal growth, development, and reproductive performance.

Our commitment to herd health and nutrition begins at birth, ensuring these females are given a strong foundation for long-term productivity.

WELCOME
FROM THE DESK AT T BAR C

SHANE MICHELSON: 403-363-9973

With a lot of excitement comes the first-ever female sale at Parkview Farms, Falun, Alberta. All of us at T Bar C are proud to endorse this first-class operation that knows firsthand how the cattle industry operates. The Schmidt Family have assembled one of the top sets of heifers to be offered this fall in Canada. Take special note: all the heifers in the sale are home-raised from the large cowherd here at Parkview. Their attention to detail and the way these cattle have been raised and bred ensure nothing but unlimited potential going forward.

The five purebred heifers that lead off the event come right off the top of the entire program, which has been aggressively purchasing some of the top cattle in the Angus business for over a decade. Also, please make note that the services these heifers carry are some of the most intriguing within the business. They are definitely bred to give a quick return on investment.

The commercial heifers made available through this event will be some of the top you'll see in the entire country. The maternal values this cowherd carries are something to see. These heifers have been sorted by size and shape, with an added feature being some baldy faces as well. With a very tight calving interval, these maintenance-free cattle are hard to find with this much information and program backing them up.

In short, we hope you can join us at the ranch on sale day for what promises to be some of the best hospitality that the Schmidt family is known for. All of us are quite familiar with this program, so please don't hesitate to contact us with any questions or for any representation you may need. On behalf of the Parkview family, we will see you sale day.

-Ben Wright

The PUREBREDS

The first 5 lots represent what we've been preparing to do here at PVF. We have selected these females and are proud how they sorted up.

Leading the way on our first ever event this powerful Gable daughter who's mother was a past LLB high seller and also the dam of a past sale bull commanding $41,000. When we describe the type of cattle we strive to produce, 38N displays the attributes of the particular things we love to have. Tremendously built and sound to the ground, Gable cattle have a reputation and 38N will keep that going.

We've put what we feel is our top 5 breds from the keeper pen and 88N exemplifies that mission to a tee. Her mother was a past $25,000 Royal Sale high seller, and her sire has been a popular fella here around the ranch who is mothered by the same dam as lot 1 in this sale. This gentle natured big hipped female has the stature and persona to be an influence in your program.

Terms & Conditions

All cattle will be sold in Canadian funds. Payment is due by cash, cheque, or approved electronic transfer, before the release of animals, unless prior arrangements have been made with Parkview Farms. Ownership of cattle shall not transfer to the purchaser until full payment has been received. All animals sell to the highest bidder. In the event of a dispute, the auctioneer's decision shall be final.

Announcements made from the auction block on sale day will take precedence over any printed information in the sale catalogue.

HEALTH

All cattle offered for sale have been managed under the Parkview Farms herd health program alongside Ponoka Veterinary Clinic. Every effort has been made to ensure the cattle are healthy and in suitable condition at the time of sale. Buyers are encouraged to inspect the offering prior to purchasing.

PREGNANCY INFORMATION

All bred heifers have been pregnancy tested by Ponoka Veterinary Clinic on October 14th, prior to the sale. Estimated calving dates and breeding information will be provided to the best of our knowledge.

Pregnancy examinations and estimated gestation lengths are intended as guidelines only and do not guarantee an exact calving date. Parkview Farms cannot guarantee the sex, size, or viability of the resulting calf.

BREEDING INFORMATION

All breeding information, including service sires, breeding dates, and estimated calving periods, has been recorded and presented as accurately as possible.

While every effort has been made to ensure the accuracy of this information, Parkview Farms does not guarantee the exact date of conception or calving.

GUARANTEE

All bred heifers offered for sale have been pregnancy examined by a qualified veterinarian and are represented as safe in calf to the best of our knowledge.

All registered Angus cattle will be sold in accordance with the Canadian Angus Association's Breeder's Guarantee Guidelines, including applicable provisions regarding reproductive soundness, pedigree accuracy, and genetic information.

Parkview Farms stands behind the quality of our cattle and is committed to working fairly and reasonably with purchasers should any concerns arise. All guarantees are between the buyer and seller and are subject to the applicable terms and conditions of the sale.

LIABILITIES

All persons attending the sale, viewing cattle, or visiting Parkview Farms do so at their own risk. Parkview Farms, its owners, employees, representatives, and sale management assume no liability for personal injury, loss, damage, or accidents occurring on the premises, except as required by applicable law.

RISK & RESPONSIBILITY

Each animal becomes the purchaser's risk immediately upon being declared sold by the auctioneer.

Following the sale, the purchaser assumes responsibility for the animal, including any injury, illness, death, or loss, subject to applicable law and any written agreement to the contrary.

Parkview Farms will make reasonable efforts to ensure the safe handling and care of cattle awaiting pickup or delivery.

DELIVERY & TRANSPORTATION

Buyers are responsible for arranging transportation of purchased cattle unless alternative arrangements have been made with Parkview Farms prior to the sale.

Pickup and delivery arrangements must be coordinated with Parkview Farms. Any transportation assistance or delivery offered by Parkview Farms will be subject to availability and prior agreement.

INSURANCE

Purchasers are strongly encouraged to obtain livestock insurance for the full purchase value of their animals. Insurance arrangements are the responsibility of the buyer.

ABSENTEE & PHONE BIDDING

Buyers unable to attend the sale may arrange telephone or absentee bidding through Parkview Farms or the designated sale representatives.

Arrangements should be made prior to sale day. All bids must be received and confirmed in sufficient time to be accepted.

ERRORS & OMISSIONS

Every effort has been made to ensure that the information presented in this catalogue is accurate and complete.

Parkview Farms reserves the right to correct any errors or omissions. Announcements made at sale time, whether written or oral, will supersede information previously published in the sale catalogue.

Thank You

On behalf of the entire Schmidt family, we sincerely thank you for your interest in our program and for supporting our first annual bred heifer sale. We take great pride in the cattle we raise and look forward to seeing these females become productive additions to your herds.
