Dear Valued Friends, Customers, and Cattle Enthusiasts,

On behalf of McTavish Farms Ltd., it is our great pleasure to extend a heartfelt welcome to you for our 15th Annual Bull Sale!

Date: Friday, March 27, 2026 at 1:30 p.m.

Location: At the farm, Moosomin, Saskatchewan

We are thrilled to invite you to join us for what promises to be an outstanding day celebrating quality genetics, dedicated breeding programs, and the future of the beef industry. This year's offering features a carefully selected group of powerful, performance-proven bulls—including yearling, long yearling, and two-year-old bulls—ready to add strength, efficiency, and profitability to your herd.

New this year: Our Long Yearling Program

We're excited to introduce our new long yearling program, designed to give you even more flexibility and options. These bulls offer added maturity, extra size, and enhanced development without sacrificing the soundness, moderate frame, and easy-fleshing traits our customers value. Developed thoughtfully on our silage-based ration, they provide a great middle-ground choice—bridging the gap between yearlings and two-year old for producers looking for bulls that are ready to cover more cows right away while still delivering long-term herd improvement.

Come early to view the bulls in their pens, inspect their sires and dams, ask questions, and connect with fellow producers. Refreshments and a warm hospitality will be provided throughout the day to make your visit enjoyable and comfortable.

Whether you're a long-time supporter or joining us for the first time, your presence means a great deal to us. We look forward to sharing this exciting event with you, hearing your stories from the industry, and hopefully sending home some of our top bulls to work for your operation.

Safe travels to Moosomin—we can't wait to see you on sale day!

Warmest regards,, *Jared*

Owner and Manager

P.S. For those unable to attend in person, we will have online bidding, live streaming, catalog, videos available through DLMS. Contact us anytime for more information.

TERMS The terms of this sale are cash or cheque payable at par at the sale location. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

ANNOUNCEMENTS All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to such announcements.

BIDS Every animal consigned to this sale must be sold by auction. No private sales will be allowed except otherwise provided for in the terms and conditions. No buy-bidding will be permitted. Each animal will be sold to the highest bidder. Mail or wire bids may be furnished in the confidential form to the sale consultant, auctioneer or ringman. Bids must be received in sufficient time prior to the sale.

BREEDER'S GUARANTEE Bulls: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported to the seller within six (6) months after the bull has reached fourteen (14) months of age. The seller will then have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

EXCEPTION TO GUARANTEE In cases where the animal is subject to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

SETTLEMENT Transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, signing fees, interest, veterinary

charges, etc. will be charged by any party by making settlement. If the seller is successful in proving the animal in question to be a breeder, then said animal will be reclaimed by the purchaser at his expense. Should satisfactory replacement, FOB ranch or location of origin or a re-fund of the actual purchase price paid FOB, selling point. In no event shall the seller be responsible for more than the purchase price paid. Should a dispute arise of the quality of a replacement animal, the executive committee will act as mediators.

CERTIFICATE OF REGISTRY The proper registration papers, as the case may be, will be dually transferred and furnished to the buyer for each animal after settlement has been made.

PURCHASER'S RISK Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchasers risk for a reasonable amount of time.

DELIVERY Every effort shall be made to assist buyers in arranging transportation.

ACCIDENTS Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales consultant, auctioneer, or breeder assumes any responsibility in this matter and disclaims any responsibility, legal or otherwise, in the event of accident or loss of property.

RIGHTS & OBLIGATIONS The above mentioned terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of the animals following purchase of this sale shall constitute a separate transaction and the rights and obligations by the terms and conditions of this sale.

SALES GUARANTEE All cattle will be sold under the Canadian Charolais Association code of ethics.
