# ANNUAL **REMITALL WEST** **BULL SALE**

**W**elcome to the 2026 Remitall West Bull Sale.

The Remitall West Bull Sale is a great opportunity to select your next breeding and walking bulls. This elite group of bulls is made up of three super breeding options – Polled Hereford, Hereford Plus and Angus. All Remitall West bulls sell with a complete set of actual weights, ultrasound carcass data, EPDs, scrotal measurements, semen test, Vet inspection and over 60 years of experience in producing some of the world's leading genetics.

Our breeding philosophy has always been to produce cattle with a cattleman's common sense approach.

- We gather as much actual weight data as possible from birth to weaning, to yearling and to sale day so you can see how our cattle performed in real time.
- All sale bulls will have actual ultrasound carcass data, so you won't have to guess what's underneath the hide.
- We show our cattle not for the banner and hair cut, but to expose our breeding program to the public and to see how we compare with our fellow breeders. We view competition as a great inspiration that keeps us striving to produce the industry's top breeding cattle.
- We work hard at having a very functional cow herd and have done so for over 60 years. These cows make up 100% of our family living so they have to work. We expect our cows to produce at a very high level and maintain body condition on a high roughage diet of straw and silage.
- We value you and your support of our program. We confidently stand behind our bulls to perform to everyone's satisfaction and fully guarantee them as such.

You are welcome to come to the ranch and view the bulls any day up to and including Sale Day. All the bulls were pictured and videoed in February by the Latimer family and are an accurate representation of the bulls selling. Videos will be posted ahead of the Sale on our website at [www.remitallwest.com](http://www.remitallwest.com) and on DLMS at [www.dlms.ca](http://www.dlms.ca). Sale Day will be a live auction at the Remitall West heated sales facility with videos of each lot on screen. The Sale will be broadcasted online and real time bidding with DLMS will also be available for those that are unable to attend in person. Complimentary lunch will be served before the Sale and we welcome everyone to attend.

If you have any questions, please feel free to contact anyone of the Latimer family or Sales Staff listed in the catalog.

We look forward to seeing everyone Sale Day, Thursday, March 26, 2026 at 1:00 p.m. Refreshments and social to follow the Sale.

*The Latimer Family  
Bryan, Annette, Emily, Isaac & Zachary Latimer*

# REMITALL WEST BULL SALE

## TERMS

The terms of the sale are cash or cheque, payable at par at the sale location unless satisfactory invoicing arrangements have been made prior to the sale. E-transfers and money wires are also accepted on sale lots that are invoiced. The right of property shall not pass until full settlement has been made.

## DELIVERY

Canadian purchases – Ontario and East, sale cattle will be delivered on Knill's Trucking at the buyer's expense. Western provinces, if possible and we are able we can deliver sale bulls at the buyer's expense. Please make contact with us sale day if you will need assistance getting the cattle to your location.

## USA PURCHASES

Sale cattle purchases can be put on Knill's Trucking and delivered into the USA at the buyer's expense. Remitall West guarantees all sale cattle to pass any health requirements to any of the states in the USA.

## INSURANCE

It is our endeavour to have happy customers and to have the sale cattle arrive at their new destination safely and in good health. Each animal does become the responsibility of the purchaser as soon as sold, therefore buyers are urged to insure animals for their full value.

## LIABILITY

The owners, their employees, sale staff and representatives accept no liability for any accidents that may occur at the sale, persons who attend do so at their own risk.

## GUARANTEE

The cattle will carry the guarantee as recommended by the Canadian Hereford Association and the Canadian Angus Association. Remitall West stands behind all animals sold in the sale. All sale cattle are guaranteed to be carrier free of any known genetic defects unless otherwise stated.

## VACCINATIONS

Remitall West vaccinates all calves born here in June and again in September with Vista Once SQ and Vision 8 Somnus with Spur. All cattle are treated routinely with Ivermectin and other Pour On's for parasite and Lice control.

## ANNOUNCEMENTS

Announcements made by the auctioneer on sale day supersede any printed material.

## ONLINE BIDDING

Real time viewing and bidding is available through DLMS, [www.dlms.ca](http://www.dlms.ca). Please contact Mark Shologan at 780 699 5082 or 780 991 3025 if you have any questions or you want to set up a new account.

## EPD'S

EPD's are current at the time of printing. Remitall West reserves the right to collect semen on any bull selling for our own in herd use at our expense and the buyers convenience.

*two time Agribition Grand Champion Female,  
dam of Fire Storm 138L.*

**Remitall-West Belle 36B GRANDDAM**  
*and dam of four of our main herd sires.*

We are excited to offer his first sons for sale. As a sire Fire Storm 138L does it all – moderates birth weights while adding pigment, eye appeal and performance. The maternal side of his pedigree through his dam, grand dam and down the generations of the Belle cow family is as powerful as it gets. Owned with Pelton Hereford Ranch, North Dakota.

TWO YEAR OLD

- An excellent two year old bull that will get out and cover a lot of cows this summer.
- Easy doing and packed full of meat and muscle.

BEST OF BOTH WORLDS

# HEREFORD PLUS

The goal in our Remitall West Hereford Plus Program is to build some of the best beef cattle the industry has to offer. We are cutting no corners to achieve this. We are taking our top producing mature Angus females and AI mating them to our elite Polled Hereford herd sires. We are building a super animal – the best of both worlds. They excel in every area: temperament, performance, carcass, pigment, udder quality, mothering ability and longevity.

Bred with versatility in mind, these bulls come in black or red to suit your program.
