HONKERS Landing Trip

Approx. 3rd week in Sept. 2027

- A hosted trip for your group of 4.
- Trip includes private flights, lodging, guns, ammo.
- You will need to bring all appropriate licenses.

Honkers Landing is a legendary duck and goose camp in the heart of the Mighty Peace Country. The camp is located just north of Grimshaw, Alberta on the shore of Cardinal Lake, which is teeming with large numbers of staging waterfowl in September and October. It is here where ducks and geese from the northern boreal and arctic regions first find agricultural crops. They spend weeks gorging on grain and peas in order to gain the fat reserves needed for their long migration south.

When you arrive in Peace River, the camp trucks will be there to take you on the short drive from the airport to the camp. That afternoon you and your crew will be on your first hunt, followed by an excellent home-style supper. The next morning you will go out for the second hunt, followed by a big brunch and a nap if you so choose. The third hunt will be in the afternoon, again followed by supper. The following morning is the last hunt followed by a late breakfast before you depart.

Your Donation Helps to Change Lives

Quote from an EAL participant

"Thank you for giving us the opportunity to grow our empathy and leadership and giving us the opportunity to HORSE."

You are all very nice and helpful."

Thank you for your time you spent showing us how to groom, walk, do challenges with the horses. It brought me a calm and tranquillity time. Thank you once again

Excerpt from a volunteer:

"I have seen unbelievable transformations of kids, seniors, opening up. ROARR is lifechanging and just a spectacular environment. The stunning view is a fraction of ROARR's beauty -it's spiritual and mental as well as physical. I hope you let this place touch your heart as much as it's touched mine."
