# Welcome...

Welcome to our 33rd Annual Bull Sale. The cattle market is at a all time high. It is a wonderful time to be in the cattle business.

As always the bulls are all two-year olds. We prefer these extra age bulls because they will service more cows and stand up better the first year. The bulls have been developed at home. They are grown out slowly the first year and then go to grass and are brought to the yard in the fall to be fed a high roughage ration.

We are very pleased to be working with Hurlburt Livestock and S4 Ranch, the Stormoen family. Performance data and scrotal measurements are all in the catalog if you require any additional information, just give us a call.

We look forward to seeing you on March 2, please feel free to come and visit anytime prior to the sale. We will have our Open House on sunday March 1st all day. There are videos on all the bulls on DLMS and our website. If you are unable to be with us sale day. DLMS will be on site ad available for bidding and viewing of the sale.

*Scott Severtson*
