TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable to Vermilion Livestock Exchange, on the day of the sale. The rights of property shall not pass until after settlement has been made. There will be no invoicing on behalf of buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced on sale day. All monies are in Canadian funds.

ANNOUNCEMENTS: All announcements at sale time, written or oral, supersede any written material in the catalogue.

GUARANTEES: Each animal will carry papers issued by the Canadian Angus Association or Canadian Charolais Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made. All animals in this sale will be sold under the terms and guarantees set forth by the relevant breed association regarding health, freedom from defects, and from both reproductive and specific genetic soundness. All animals in the sale have met all necessary health requirements. Semen Collection: Sellers reserve the right to collect semen on any bull in this catalogue. This collection would be done at the Sellers expense, and the Buyers convenience.

PHONE, MAIL AND WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to a sale manager, auctioneer, or special representatives. Bids must be received in sufficient time prior to the sale. Liabilities: All persons attend the sale at their own risk. The sellers, facility owners, and auctioneer assume no liability, legal or otherwise, for any accidents that may occur.

DELIVERY

A \$250 discount will be applied for bulls taken home on the day of the sale. Delivery will begin April 1st and will be free of charge for up to 500km. Anything further will have appropriate transportation costs applied. If you cannot take the bull when the truck is coming by, it is your responsibility to pick up the bull. After May 1st, a \$5/day charge will take effect. We strongly encourage that all bulls going back to the Seller's farms be insured. CFIC will be on-site. Each animal becomes the responsibility of

Welcome FROM RIVERS EDGE

Welcome to the inaugural Stockman's Trilogy Bull Sale.

We are fourth generation cattle farmers, and our children plan to follow in our footsteps working on land that has hosted our family for 123 years. It is that history that drives what we raise and how we do business. Our program is built around practical cattle that work in real-world conditions — sound, functional, and backed by cow families that consistently get the job done. Every bull in this offering has been developed with longevity and performance in mind. We believe good cattle start with good foundations: strong maternal influence, structural integrity, and the kind of disposition that makes them easy to work with. These are the same standards we hold ourselves to on our own ranch.

We're grateful for the support of our customers and we don't take your confidence in our program lightly. Whether you've done business with us before or are joining us for the first time, we look forward to visiting with you and helping you find a bull that fits your program. Thank you to the Vermilion Livestock Exchange for including us in this sale, as well as Logan Garnier and the Draves' for their efforts in getting us through our first year.

From our family to yours — thank you for your interest and support.

Welcome FROM DANYLUK FARMS

The Danyluk homestead was established in 1944, 2 miles east of Stoney Lake, close to Elk Point in the County of St. Paul. Great Grandfather Peter and Great Uncle Bill raised purebred horned Herefords in the 1960's. In the 1970's Ray and Lorraine started to grow their cow/calf operation called Banana Hill Farm. Ray took an interest in AI and incorporated it into their breeding program to further enhance genetics and experiment with different breeds to learn their strengths and characteristics, this year will be Yolanda's third season of AI'ing, and is trying to follow all Ray's expertise. The Danyluk family has been involved in 4-H for many years. The foundation for Peter's Angus herd began with 4-H projects in the 1990's. As Peter has started to grow the purebred herd and raising calves to yearling and two year old bulls, he has adopted the name Danyluk Farm. Like Ray, Peter, believes in buying top quality bulls with high maternal traits in their lineage to continuously improve herd quality. The Danyluk family has been providing quality purebred angus to the industry for over 3 decades. In 2021 we purchased a small group of great Charolais heifers, with a bull to match, and have been developing a herd of Charolais we are proud of. Ranching is a family event on Danyluk Farms with day to day farming taken care of by Raymond, Lorraine, Peter, Yolanda, Hailey, Alexis, Brock, Felix and Oliver. With friends and family from Calgary to Unity, Sk, and Bonnyville to Two Hills, all coming to help whenever needed. We are currently calving about 330 head this year between the purebred and commercial herds.

Along with the bulls we are also bringing an excellent selection of our replacement heifers to the sale. We are proud of the stock we have raised and look forward to seeing you at the sale.

Welcome FROM NORWAY VALLEY FARMS

Welcome to the 1st annual Stockman's Trilogy Bull Sale.

When Carter approached us back in the fall of 2024 about being part of a bull sale for spring of 2026 we figured it would be a great opportunity so here we are. The cattle prices today are great to see and that cattlemen are finally getting rewarded.

We only have 8 bulls on offer this year but I think they are all very consistent. Feel free to give us a call or come by and walk through the pen. Coffee is always on and we enjoy the visits.
